### INCIDENT SYNOPSIS

Officers responded to a Domestic Violence Order of Protection Violation call. The victim saw the suspect on security camera. Dispatch confirmed that there was an order of protection restricting the suspect from being within two blocks of the residence. When officers arrived, they saw the suspect had broken the window. He had barricaded himself inside the victim's home and refused to exit. A K9 officer and his K9 partner assisted in searching the residence. He gave multiple K9 announcements but the suspect did not surrender. The officer deployed his K9 to locate and capture the suspect, who was hiding in the basement. Officers took him into custody and transported him to the hospital for medical treatment. He was then booked into jail for Residential Burglary-DV and Malicious Mischief.
