INCIDENT SYNOPSIS

Officers responded to multiple complaints of a subject striking vehicles with a stick. When officers located the suspect, he was aggressive towards officers. One officer deployed his TASER, but it was not successful. The officer tackled him to the ground and the suspect punched him in the head. The officer then applied Level II strikes (fist strikes) to gain control of the suspect. Officers were then able to handcuff him, but he continued to kick and was placed into leg restraints. The suspect was transported to the hospital for medical clearance prior to being booked into jail for Assault, Disorderly Conduct, and Malicious Mischief.
