#### INCIDENT SYNOPSIS

Officers responded to a Welfare Check call. The caller was worried that his fiancé was not answering messages and there was a protection order in place, protecting her from her ex-husband. Officers believed the suspect was hiding inside her apartment, committing Residential Burglary (DV) and two counts of Domestic Violence Protective Order Violation. Officers contacted the female, and she gave permission for them to search her home. A K9 Officer deployed his K9 to search the residence ahead of officers. The K9 located the suspect and officers were able to enter and take him in to custody. The suspect was taken to the hospital for medical treatment and then booked into jail for Residential Burglary-Domestic Violence and Domestic Violence Order of Protection Violation.
