INCIDENT SYNOPSIS

Officers responded to a Burglary call. Officers made verbal contact with the suspect, who was secreted inside the apartment and refused to exit. She made a statement about shooting police. Officers had probable cause to arrest her for Residential Burglary. They made multiple announcements, but the suspect would not come out voluntarily. They obtained a search warrant for the apartment. Once officers served the search warrant and made entry into the apartment, a K9 handler deployed his K9 to search ahead of police. The K9 located and apprehended the suspect, allowing officers to enter and safely detain her. The suspect was transported to the hospital for treatment. She was booked into jail for Residential Burglary.
