INCIDENT SYNOPSIS

Officers responded to a report of a Domestic Violence Order of Protection violation (DVOPV). The suspect was in the yard of the victim, who was protected by the no-contact order. When officers located the suspect outside in front of the residence, the suspect immediately fled on foot. After a short foot chase, the suspect was caught in the front fenced yard of a nearby residence. The officers told the suspect he was under arrest. Officers tried to take the suspect into custody, but he resisted arrest. When the suspect became assaultive, striking an officer in the face, an officer deployed his TASER to gain control of the male. The first deployment was not successful, as the probes bounced off of the suspect's clothing, but the second deployment was, and officers were able to place handcuffs on the suspect. He was evaluated by medics and booked into jail for 3rd Degree Assault, Resisting Arrest, Obstruction, and Felony DVOPV.
