Closed Use of Force Summary

Tracking Number: F23-073
Incident Number: 2023-20083548
Date of Incident: 5/3/2023
Chain of Command Finding: In Compliance with Policy

INCIDENT SYNOPSIS

An officer contacted a suspect who was driving on a suspended license. The officer attempted to make a custodial arrest. He went to gain wrist control to place her in handcuffs, but the suspect attempted to pull away from the officer. During the arrest, the suspect sustained scrapes on her knees and complained of a sore arm. The Chain of Command determined that the officer's use of arrest tactics was within policy. They also identified secondary issues that were addressed with training.
