### INCIDENT SYNOPSIS

Officers responded to a Residential Burglary call. Officers observed signs that the residence had been broken into and heard what sounded like interior motion from within the dwelling. Officers attempted communication with suspects from both the exterior and interior of the building for approximately one hour and fifteen minutes. At no point did the suspects attempt to make their presence known to the officers. A K9 handler utilized his K9 to search the interior and apprehend any outstanding suspects within the dwelling. The K9 located two suspects and contacted one. Officers were able to safely take the suspects into custody. The suspect who was contacted by the K9 was transported to the hospital for treatment. Both suspects were booked into jail for Burglary and Resisting Arrest.
