INCIDENT SYNOPSIS

Officers responded to a Drive-By Shooting call. Dispatch advised the complainant was following the suspect vehicle occupied by five to six subjects and they shot out of their car at the complainant. Officers caught up to the suspect vehicle being followed by the complainant. Officers tried to stop the suspect vehicle, which fled. Officers pursued the vehicle and ended the pursuit with a pursuit intervention technique (PIT). Officers performed a post PIT technique to immobilize the vehicle. One officer momentarily pointed his handgun at the rear passenger compartment of the vehicle. When the suspects emerged from the vehicle with their hands up, the officer lowered his firearm. Officers were able to safely take the suspects into custody.
