

SPOKANE POLICE DEPARTMENT

Request to Ride as Observer

INSTRUCTIONS FOR CITIZEN RIDERS

The general public tends to believe citizen riders are employees or representatives of the Police Department, so standards of dress and behavior must be enforced.

DRESS CODE:

As a professional organization, we strive to present a professional appearance to the general public. All Citizen Riders must wear appropriate business attire. Clothes will look professional. Clothes will be clean and in good repair.

1. **Shirts:** Dress type shirts with a collar may be worn – no logo t-shirts or sweatshirts.
2. **Trousers (no shorts):** Dress slacks or comparable trousers are appropriate and must appear well kept and business like. Blue jeans, denims, and like materials are acceptable as long as they fit properly, are clean and appear well kept – no holes/tears.
3. **Jackets:** Light weight jacket or coat (i.e. sports coat) with a businesslike appearance is appropriate.
4. **Shoes:** clean, closed-toed shoes, appropriate for the weather; no high heels.
5. **Sweaters:** Will present a business like appearance.
6. **No perfume or cologne;** refrain from using strongly scented lotions.

WEAPONS:

No weapons of any kind are allowed to be carried, regardless of any permits held. (This restriction does not apply to commissioned Law Enforcement.)

BEHAVIOR:

As a Citizen Rider in a patrol vehicle, you are given no "special commission" or other Law Enforcement powers. If riding as a Law Enforcement Officer from another agency, applicable state and federal law apply. You shall not engage in any activity which would create a conflict of interest or would be in violation of any law. You shall, at all times, conduct yourself in a manner which does not discredit the Spokane Police Department. You shall not be disrespectful, insolent, or mutinous in attitude or conduct. You shall be courteous and respectful in your dealings with the public and officers.

If you are accepted to ride, you will be required to sign a liability waiver prior to the ride.

**NOTE: The officer may ask the Citizen Rider to exit the patrol vehicle prior to arriving at an emergency situation or for any other reason deemed necessary by the officer, therefore, Rider will be responsible for alternate transportation back to the station, if necessary. If a civilian rider must be dropped off, officers will drop the rider off in a safe location and notify Radio of the drop-off location. Radio will coordinate another available unit to pick up the rider, if available, or ensure contact with the rider until he or she has been picked up by another individual.
