Spokane Police Department
Public Record Requests

Authority and Purpose:
RCW 42.56.070(1) of the Public Records Act requires each state or local agency to make available for inspection and copying nonexempt “public records” in accordance with published rule. RCW 42.56.070(2) requires each agency to set forth “for informational purposes” every law, in addition to the Public Records Act, that exempts or prohibits the disclosure of public records held by that agency.

The purpose of this document is to describe the procedures the Spokane Police Department will follow in order to respond to requests made for records under the Act. This document provides information to persons wishing to request access to public records of the Spokane Police Department and describes processes for both requestors and Spokane Police Department staff that are designed to best assist members of the public in obtaining such access.

The purpose of the Act is to provide the public full access to non-exempt records concerning government conduct, to the extent such records are not made exempt by the Act, in a manner that does not unduly impair the public’s entitlement to receive effective and efficient performance of the Spokane Police Department’s governmental duties and functions, and that respects legally-protected privacy rights. The Act and these considerations will be interpreted in favor of disclosure. In carrying out its responsibilities under the Act, the Spokane Police Department will be guided by the provisions of the Act describing its purposes and interpretation.

The public records officer will oversee compliance with the Act, but another City staff member may process the request. Therefore, this policy will refer to the public records officer “or designee”. The public records officer or designee and the Spokane Police Department will provide “the fullest assistance” to requestors; ensure that public records are protected from damage or disorganization, and help prevent fulfilling public records requests from causing excessive interference with essential functions of the Spokane Police Department.

Availability of Public Records

Public records are available for inspection and copying by appointment during normal business hours of the Spokane Police Department Records Division: Tuesday – Friday, 8:30am – 3:50pm, excluding holidays. Records must be inspected at the offices of the Spokane Police Department. The Spokane Police Department and the requestor can make mutually agreeable arrangements for the times of inspection and copying.

Records Index

The Spokane Police Department does not maintain a records index pursuant to mayoral executive order EO 2008-05.
Organization/Protection of Records

The Spokane Police Department will maintain its records in a reasonably organized manner consistent with available resources. The Spokane Police Department public records officer may take any steps deemed necessary to protect and preserve records from damage, alteration, or disorganization.

A requestor shall not alter, disorganize, damage, take or remove Spokane Police Department records from the Spokane Police Department offices or custody without the express written permission of the public records officer or designee. In the event of such unauthorized action, the Spokane Police Department reserves the right to recover from all persons responsible, all costs of record recovery, including direct costs as well as all claims for consequential loss or damage, in addition to prosecution under the law.

Making a request for public records

Any person wishing to inspect or copy public records of the Spokane Police Department may make the request in writing on the Spokane Police Department’s request form, or by letter, fax, or e-mail addressed to the public records officer.

Including the following information within the request will help with processing:

- Name of requestor
- Address of requestor
- Other contact information for requestor, including telephone number and/or e-mail address
- Identification of the public records adequate for the public records officer or designee to locate the records, including the date of the incident, report number, and name(s) of individual(s) included in the report
- The date and time of the request

A request for body worn camera recordings must:

- Specifically identify a name of a person or persons involved in the incident;
- Provide the incident or case number;
- Provide the date, time, and location of the incident or incidents; or
- Identify a law enforcement or corrections officer involved in the incident or incidents.

A question or a request for information is not a request for a record.

If the requestor wishes to have copies of the records made instead of simply inspecting them, he or she should so indicate and make arrangements to pay for copies of the records or pay a deposit pursuant to RCW 42.56.120.

A form is available for use by requestors at the office of the public records officer and online at: https://my.spokanecity.org/police/information/

The public records officer or designee may accept requests for public records that contain the above information by mail, e-mail, fax, or verbal requests made by phone or in person.

If the public records officer accepts such verbal request, he or she may confirm receipt of the information and the substance of the request in writing. If the public records officer does so, the
written confirmation will be deemed the correct statement of the scope of the request unless the requestor responds with a different statement of the scope.

The public records officer does not monitor social media sites or voicemail for public record requests. Public record requests will not be accepted via social media or voicemail.

**PROCEDURE**

The Spokane Police Department is charged by statute with adopting rules which provide for how it will “provide full access to public records”, “protect records from damage or disorganization”, “prevent excessive interference with other essential functions of the agency”, provide “fullest assistance” to requestors, and provide the “most timely possible action” on public record requests. The public records officer or designee will process requests in the order allowing the most requests to be processed in the most efficient manner.

The public records officer or designee will acknowledge receipt of the request within five (5) business days by one of the following:

- Make the records available for inspection or copying in whole or in part; or
- If the copies are requested and payment of a deposit for the copies, if any, is made or terms of payment are agreed upon, send the copies to the requestor; or
- Provide a reasonable estimate of when records will be available if not furnished in part or in whole; or
- If the request is unclear or does not sufficiently identify the requested records, request clarification from the requestor. Such clarification may be requested and provided by telephone. The public records officer may revise the estimate of when records will be available; or
- Deny the request, in whole or part.

**In the Event of No Response**

If the Spokane Police Department does not respond in writing within five (5) business days of receipt of the request for disclosure, the requester should consider contacting the public records officer to ensure that the request was received and to determine the reason for the failure to respond.

**Protecting the rights of others**

In the event that the requested records contain information that may affect the rights of others and may be exempt from disclosure, the public records officer may, prior to providing the records, give notice to others whose rights may be affected by the disclosure. Such notice should be given so as to make it possible for those persons to seek an order from a court to prevent or limit the disclosure. The notice to the affected persons will include a copy of the request.
Records exempt from disclosure

Some records are exempt from disclosure, in whole or in part. If the Spokane Police Department determines that a record is exempt from disclosure and should be withheld, the public records officer will state the specific exemption and provide a brief explanation of why the record or a portion of the record is being withheld. If only a portion of a record is exempt from disclosure, but the remainder is not exempt, the public records officer will redact the exempt portions, provide the non-exempt portions, and indicate to the requestor why portions of the record are being redacted. An “exemption log”, which cites the portion(s) of the record redacted and the statute(s) that provides the exemption will accompany the public records. The public records officer may explain to the requestor that the redaction process will take additional time to complete and invite the requestor to focus or narrow the scope of the request in order to save time and help better serve the requestor’s needs.

Inspection of records

Consistent with other demands and resources, the Spokane Police Department shall provide space to inspect public records. No member of the public may remove a document from the viewing area or disassemble or alter any document. The requestor shall indicate which documents he or she wishes the Spokane Police Department to copy. The Spokane Police Department and the requestor can make mutually agreeable arrangements for the times of inspection.

The requestor must claim or review the assembled records within thirty (30) days of the Spokane Police Department’s notification that the records are available for inspection or copying. The Spokane Police Department will notify the requestor in writing of this requirement and inform the requestor that he or she should contact the Spokane Police Department to make arrangements to claim or review the records. If the requestor fails to claim or review the records within thirty (30) days, the requestor fails to inspect the entire set of records or one (1) or more of the installments, the public records officer or designee may stop searching for the remaining records and close the request. Other public records requests can be processed ahead of a subsequent request by the same person for the same or almost identical records, which can be processed as a new request.

Providing records in installments

When a request is made for a large number of records, the public records officer or designee will provide access for inspection and copying in installments, if he or she reasonably determines that it would be practical to provide the records in that way. If, within thirty (30) days, the requestor fails to inspect the entire set of records or one (1) or more of the installments, the public records officer or designee may stop searching for the remaining records and close the request.

Completion of inspection

When the inspection of the requested records is complete and all requested copies are provided, the public records officer or designee will indicate that the Spokane Police Department has completed a diligent search for the requested records and made any located non-exempt records available for inspection or copying.
Closing withdrawn or abandoned requests

When the requestor either withdraws the request or fails to fulfill his or her obligations to inspect the records or pay the deposit or final payment for the requested copies, the public records officer will close the request.

If the requester does not provide clarification in response to a request by the Public Records Officer for clarification, within thirty (30) days of the clarification request having been made, the Spokane Police Department will consider the request abandoned as to those portions for which clarification was requested but not received and advise the requester in writing that the request has been closed as to those portions. Should the requester, after such closure, provide clarification, his or her clarified request shall be considered a new request and shall be processed as such, and other public records requests can be processed ahead of such a clarified request.

Later discovered documents

If, after the Spokane Police Department has informed the requestor that it has provided all available records, the Spokane Police Department becomes aware of additional responsive document(s) which existed at the time of the request, it will promptly inform the requestor of the additional document(s) and shall provide them on an expedited basis.

Ongoing requests

“Ongoing” or continuous requests for records are not honored. Records are searched at the time the request is made. A new request is required for records created after the time of the initial request.

Processing of public record requests – electronic records

The process for requesting electronic records is the same as for requesting paper public records.

Providing electronic records

When a requestor requests records in an electronic format, the public records officer or designee will provide the non-exempt records or non-exempt portions of such records that are reasonably locatable in an electronic format that is used by the Spokane Police Department and is generally commercially available, or in a format that is reasonably translatable from the format in which the Department keeps the records, as long as it is reasonable and technologically feasible for the Department to do so. The Spokane Police Department is not required to produce records in an electronic format when redactions are required and the Department must print the records in order to make the redactions.

Customized access to databases

With the consent of the requestor, the Spokane Police Department may provide customized access under RCW 43.105.355 if the record is not reasonably locatable or not reasonably
translatable into the format requested. The Spokane Police Department will first consult with the requestor before undertaking steps needed for specialized access. The Spokane Police Department may charge a fee consistent with RCW 42.56.120(3)(b) for such customized access only if it has first notified the requestor of the customized access service charge, including an explanation of why the charge applies, a description of the specific expertise, and a reasonable estimate of the charge. The requestor will also be notified that s/he may amend his/her request in order to avoid or reduce the customized access charge.

Exemptions

The Public Records Act provides that a number of types of documents are exempt from public inspection and copying. In addition, documents are exempt from disclosure if any “other statute” exempts or prohibits disclosure. Requestors should be aware of the exemption, outside of the Public Records Act, that restricts the availability of some documents held by the Spokane Police Department for inspection and copying. The list is a partial list only, and there may be other statutes that restrict or limit the disclosure to the public. These exemptions are located in Attachment B.

The Spokane Police Department is prohibited by statute from disclosing lists of individuals for commercial purposes. If a requestor asks for a list of individuals or a requestor seeks records which include a list of individuals, the public records officer is to determine if there is any indication that the requested list may be used for commercial purposes. If the officer determines that there is such an indication, the requestor will be asked to complete a “Commercial Purpose Declaration” (Attachment D). If the requestor asserts some “commercial” purpose to the request, the Spokane Police Department is forbidden by state law from providing the requested records.

The Spokane Police Department is not required to create a record where one does not exist.

Costs of providing copies of public records

The Spokane Police Department adheres to the City of Spokane Public Record Act Fee Schedule, as set forth in Attachment C.

No fee shall be charged for the inspection of public records. No fee shall be charged for locating public documents and making them available for copying.

Under RCW 42.56.120, an agency need not calculate the actual costs it charges for providing public records if the agency has rules or regulations declaring the reasons for doing so would be unduly burdensome. To the extent an agency has not determined the actual costs of copying public records, an agency may use the statutory default copy fee schedule set forth in RCW 42.56.120. Based on the following findings, the City will charge fees for copies of records pursuant to the default fees in RCW 42.56.120(2) (b) and (c) and as described in Attachment C.

a. Calculating the actual cost of providing public records would be unduly burdensome because funds were not allocated for performing a study to determine actual copying costs.

b. The City lacks the necessary funds and staff resources to conduct a comprehensive study to determine its actual copying costs.
c. To conduct such a cost study would interfere with the City’s other essential agency functions.

**Costs for electronic records**

The cost of electronic copies of records shall be as set forth in Attachment C.

**Costs for mailing records**

The Spokane Police Department may also charge actual costs of mailing, including the cost of the shipping container.

Before beginning to make photo, printed, and/or scanned copies, the public records officer may require a deposit of up to ten percent (10%) of the estimated costs of doing so for all the records selected by the requestor. The public records officer may also require the payment of the remainder of all costs chargeable under this policy for fulfilling the requestor’s request, before providing all the records, or the public records officer may require payment of the chargeable costs under this policy for providing a partial installment of records, before providing that installment to the requestor. The Spokane Police Department will not assess sales tax on any cost otherwise chargeable to the requestor under this policy.

If materials need to be copied by an outside source, the requestor shall pay the actual amount invoiced to the Spokane Police Department by the vendor.

**Body worn camera video charges**

Washington State law allows local law enforcement agencies to charge for reasonable costs for redacting video [see RCW 42.56.240(14)]. Exempt from the charges are:

- A person directly involved in a recorded incident and their attorney;
- A person or his/her attorney who requests a body worn camera recording relevant to a criminal case involving that person;
- Executive Directors with the Washington State Commission on African-American Affairs, Asian-Pacific American Affairs, or Hispanic Affairs; and
- Attorneys who represent a person in a potential or existing civil cause of action involving the denial of civil rights under the federal or state constitution, or a violation of a United Stated Department of Justice settlement agreement and explain the relevancy of the requested video.

**Payment**

Payment may be made by case, check, debit/credit card, or money order payable to the Spokane Police Department. Bad checks are treated as non-payment and referred to collection.
Review of denials of public records

Any person who objects to the initial denial or partial denial of a record request may petition in writing (including e-mail) to the public records officer for a review of that decision. The petition shall include a copy of or reasonably identify the written statement by the public records officer or designee denying the request.

The public records officer shall promptly provide the petition and any other relevant information to the City Hearing Examiner, with a copy to the City Attorney for City Police records and to the Chief Deputy Attorney for County Sheriff records. The City Attorney or designee or Chief Deputy Attorney for County Sheriff or designee may file a response to the petition with the Hearing Examiner. Any response to the petition must be filed with the Hearing Examiner within five (5) business days following the City’s receipt of the appeal. The Hearing Examiner will consider the petition and either affirm, modify, or reverse the denial within ten (10) business days following the Spokane Police Department’s receipt of the petition, or within such greater period of time as the Spokane Police Department and the requestor mutually agree to.

Judicial review

Any person may obtain court review of denials of public records requests pursuant to RCW 42.56.520(4) at the conclusion of two (2) business days after the initial denial regardless of any internal administrative appeal.

CITY OF SPOKANE
COMMERCIAL PURPOSE DECLARATION
Public Records Requests under RCW Ch. 42.56 for Lists of Individuals

Re: Public Records Request dated: ________________

You or your organization or business has made a public records request for a list of individuals from the City of Spokane. The Washington State Public Records Act (PRA) at RCW 42.56.070(8) provides that:

This chapter shall not be construed as giving authority to any agency . . . to give, sell or provide access to lists of individuals requested for commercial purposes, and agencies . . . shall not do so unless specifically authorized or directed by law...

The PRA at RCW 42.56.080 authorizes agencies to require a requestor to provide information as to the purpose of a request "to establish whether inspection and copying would violate RCW 42.56.070(8)."

The Washington State Court of Appeals ruled that in responding to a public records request that includes a list of individuals, an agency must investigate if that list might be used for commercial purposes, in order to comply with the obligations of RCW 42.56.070(8). SEIU Healthcare 775NW v. State, 193 Wn. App. 377, 377 P.3d 214 (2016). The Court also ruled that information to be provided by a requestor to an agency includes the purpose of the request, the identity of the requestor, the nature of the records requested, and other information necessary to determine if the list of individuals can be provided under RCW 42.56.070(8).

Instructions:

In order to ensure compliance with this obligation please complete the declaration on the reverse of this form and return it to the Public Records Officer. If we do not receive a completed declaration, we will be unable to process your request for the list and the request for the list will be administratively closed. If we have questions for you after you complete the declaration, we will contact you. Therefore, make sure you also provide contact information at the bottom of the declaration.

Return this completed declaration form to the Public Records Officer or other designated person at: Spokane Police Records, 1100 W. Mallon Ave., Spokane, WA 99260 or email to SPDRecordsInfoRequest@SpokanePolice.org

This declaration is a public record.
