Re: Silver Star Award

Ofc. Brownlee,

Major King recently nominated you for the Silver Star Award. The Silver Star is awarded to employees who have displayed courageous actions above and beyond that normally expected. These acts of courage do not rise to the level of the voluntary risk of requirements for the Medal of Valor, but are displays of exemplary acts of bravery. When the Special Awards Committee reviewed this nomination, it was clear that you are most deserving of this recognition.

On August 8th, 2015, at approximately 1027, the Spokane Police Department PACT observed a wanted suspect enter a residence on East Sanson Street. This male had a Federal Firearms warrant and also was reported to be armed. This subject was aware of the police presence and told the occupants of the house that it was going to be his "grand finale." The other occupants of the house were able to leave and relayed this information to the officers.

Police surrounded the house and made several announcements over the PA system for the subject to surrender peacefully, but there was no response. At approximately 1130, the front door of the residence opened up and multiple gunshots were heard coming from inside the house to directly outside where the officers were located.

Mere seconds later, with his hand gun raised and firing directly at officers, the subject exited the front door of the house at a full sprint running towards Officers Pavlischak and Hamilton. Officer McCollough moved into a position to return fire. Officer Pavlischak and Hamilton returned fire, as well as Officer Brownlee, Phillips, and Killian.

Officers Brownlee, Phillips, Killian, McCollough and Detective Willard displayed exemplary bravery. In order to protect the nearby citizens as well as contain and apprehend the subject, they placed their own lives in jeopardy and responded courageously to stop the subject and his assault. It is my belief that their actions clearly meet those defined in the Silver Star."

Ofc. Brownlee, I am proud to present you with the Silver Star Award. You will be awarded the Silver Star Medal during the annual Employee Awards Ceremony in March 2018 and a copy of this letter will be placed in your personnel file.
