Re: Chief's Citation Award

Det. Tramell Taylor:

The Spokane Police Youth Athletic League (S.P.Y.A.L.) has been nominated to receive the Chief's Citation Award. This award is intended to recognize members of a team or unit for their participation in an incident, event, series of events, or a project that resulted in a substantial, positive impact on the community or department. It must be superior in nature and further the department's mission and overall effectiveness. When the special awards committee reviewed this nomination, it was clear that the organizers of the S.P.Y.A.L. were most deserving of this award.

The Spokane Police Youth Athletic League (S.P.Y.A.L.) was initiated in 2013 as a partnership program developed by Spokane community leaders and the Spokane Police Department. The purpose of the S.P.Y.A.L. is to engage potential at-risk youth with positive, athletic, academic, and community service projects through the formation of a summer basketball league and related outreach activities.

S.P.Y.A.L. volunteers worked closely with members of the faith-based community to staff the program, organize group community service events, coordinate practice facilities, game times, and coaches, and ensure SPD officer and command staff participation. Initially, the plan called for 32 youth, however through the hard work and dedication of those involved in the program, participation grew to more than 50 youth. The program will continue in the future and is anticipated to continue to grow and assist SPD in building positive community relationships.

I am very proud to present you with the Chief's Citation Award. S.P.Y.A.L will receive a plaque and volunteers will be recognized at our annual Employee Awards Ceremony. A copy of this document will be placed in your department personnel file.
