

Construction Update

Project: 2020 Residential G&O

7.15.20

Two-week Look Ahead

- Contractor has begun removing and replacing the majority of the wheelchair ramps to bring them up to ADA standards.
- Work will be completed one side of the street at a time in order to allow pedestrian traffic access from the opposite side of the street.
- Work will start on Longfellow between Division and Post.
- Work will start on Queen from Standard to Perry in approximately two weeks.
- Contractor will be completing minor drainage work prior to the new ramps being installed. Once the Wheelchair Ramps are completed on one side of the street and patched with asphalt, contractor will work on the opposite side of the streets wheelchair ramps.

Traffic Impacts

Traffic will be allowed to travel on Longfellow and Queen; however, there may be times when the contractor will need to close a portion of the roadway to make a drainage crossing. Please be aware of heavy equipment traveling on the roadways. Please avoid use of these roads whenever possible.
