A Recommendation of the Spokane Plan Commission to the City Council to APPROVE the Comprehensive Plan Amendment application, subject to modification of the proposal relating to land use and zoning designations, seeking to amend the land use plan map designation from "Residential 4-10" to "Residential 15-30" for an approximately 6.04-acre area located at 2402 and 2502 E 31st Avenue. The implementing zoning designation recommended is "Residential Multi-Family".

FINDINGS OF FACT:

A. The City of Spokane adopted a Comprehensive Plan in May of 2001 that complies with the requirements of the Growth Management Act (GMA).

B. Under GMA, comprehensive plans generally may be amended no more frequently than once a year, and all amendment proposals must be considered concurrently in order to evaluate for their cumulative effect.

C. Amendment application Z21-282COMP (the “Application”) was submitted in a timely manner for review during the City’s 2021/2022 amendment cycle.

D. The Application seeks to amend the land use plan map designation for an approximately 6.04-acre area located at 2402 and 2502 E 31st Avenue (the “Properties”) from “Residential 4-10” to “Residential 15-30” with a corresponding change in zoning from “Residential Single Family (RSF)” to “Residential Multi-Family (RMF)”.

E. The subject properties comprise of a vacant parcel owned privately and the developed South Hill Park & Ride owned and operated by Spokane Transit Authority.

F. Annual amendment applications were subject to a threshold review process to determine whether the applications will be included in the City’s Annual Comprehensive Plan Amendment Work Program.

G. On February 1, 2022, an Ad Hoc City Council Committee reviewed the applications that had been timely submitted and forwarded its recommendation to City Council regarding the applications.

H. On March 21, 2022, the City Council adopted Resolution RES 2022-0028 establishing the 2022 Comprehensive Plan Amendment Work Program and included the Application in the Work Program.

I. Thereafter, on April 15, 2022, staff requested comments from agencies, departments, and neighborhood councils. Five agencies submitted comments, including the Department of Ecology, Integrated Capital Management, Lincoln Heights Neighborhood Council, Spokane Regional Transportation Council, and Spokane Transit Authority.
1. Spokane Transit Authority indicated their support of their property being included in the proposal.

J. On March 17, 2022, the Land Use Subcommittee of the Community Assembly received a presentation regarding the 2021/2022 Comprehensive Plan Amendment Work Program, including the Application.

K. A Notice of Application was published on May 25, 2022 in the Spokesman Review and was mailed to all properties and owners within a 400-foot radius of the subject Properties and any adjacent properties with the same ownership. Signs were also placed on the subject Properties in plain view of the public. The Notice of Application initiated a 60-day public comment period from May 25 to July 25, 2022, during which 14 comments and a petition signed by 53 residents were received.

1. A total of 21 public comments were received by September 27, 2022 at 5pm, with multiple comments provided by some commenters.

L. On June 6, 2022 the Community Assembly received a presentation regarding the 2021/2022 Comprehensive Plan Amendment Work Program and the Application and was provided with information regarding the dates of Plan Commission workshops and hearings.

M. On June 22, 2022, the Spokane City Plan Commission held a workshop to study the Application.

1. At the workshop, the Plan Commission requested information about the “Mixed Use Transition Zone (CC4)” zoning designation, which was brought before the Plan Commission at a second workshop on July 13, 2022.

N. On August 22, 2022, a State Environmental Policy Act (SEPA) Checklist and Determination of Non-Significance were issued for the Application. The deadline to appeal the SEPA determination was September 13, 2022. No comments on the SEPA determination were received.

1. Notice of the SEPA Determination for the Application was published in the Official Gazette on August 31 and September 7, 2022.

O. On August 23, 2022, staff published a report addressing SEPA and providing staff’s analysis of the merits of the Application, copies of which were circulated as prescribed by SMC 17G.020.060B.8. Staff’s analysis of the Application recommended approval of the Application.

P. On August 31 and September 7, 2022, notice was published in the Spokesman Review providing notice of a SEPA Determination of Non-Significance and notice of the Plan Commission Public Hearing.

Q. On August 31, 2022, Notice of Public Hearing and SEPA Determination was posted on the Properties and mailed to all property owners and taxpayers of record, as shown by the most recent Spokane County Assessor’s record, and occupants of addresses of property located within a four-hundred-foot radius of any portion of the boundary of the subject Properties.

R. On September 14, 2021, the Plan Commission held a public hearing on the Application, including the taking of verbal testimony, closed the verbal record on that date, closed the written record as of Tuesday, September 27, and postponing deliberations until the following hearing date.
1. Two members of the public and a representative of the Neighborhood Council testified in opposition.

S. On September 23, 2022, the Washington State Department of Commerce and appropriate state agencies were given the required 60-day notice of intent to adopt before adoption of any proposed changes to the Comprehensive Plan.

T. On September 28, 2022, the Plan Commission conducted its deliberations on this application and voted to recommend the City Council approve this application.

1. During deliberation, the Plan Commission voted 6 to 2 to recommend a modification of the proposal to provide for an alternative land use plan map designation of “Center and Corridor Transition” and an implementing zoning of “Mixed Use Transition Zone (CC4)” rather than Residential 15-30 and Residential Multi-Family as originally proposed.

U. As a result of the City’s efforts, pursuant to the requirements of SMC 17G.020.070, the public has had extensive opportunities to participate throughout the process and persons desiring to comment were given an opportunity to do so.

V. Except as otherwise indicated herein, the Plan Commission adopts the findings and analysis set forth in the Staff Report prepared for the Application (the “Staff Report”).

W. The Plan Commission finds that the proposal meets the intent and requirements of the Comprehensive Plan, including the policies under Policy LU 3.4, Planning for Centers and Corridors, concerning the location of Centers and related land uses in the City.

X. The Plan Commission finds that the proposal meets the decision criteria established by SMC 17G.020.030, as described in the Staff Report.

CONCLUSIONS:

Based upon the application materials, staff analysis (which is hereby incorporated into these findings, conclusions, and recommendation), SEPA review, agency and public comments received, and public testimony presented regarding application File No. Z21-282COMP, the Plan Commission makes the following conclusions with respect to the review criteria outlined in SMC 17G.020.030:

1. The Application was submitted in a timely manner and added to the 2021/2022 Annual Comprehensive Plan Amendment Work Program, and the final review application was submitted as provided in SMC 17G.020.050(D).

2. Interested agencies and the public have had extensive opportunities to participate throughout the process and persons desiring to comment have been given that opportunity to comment.

3. The Application is consistent with the goals and purposes of GMA.

4. Any potential infrastructure implications associated with the Application will either be mitigated through projects reflected in the City’s relevant six-year capital improvement plans or through enforcement of the City’s development regulations at time of development.

5. As outlined in above in the Findings of Fact, the Application is internally consistent as it pertains to the Comprehensive Plan, as described in SMC 17G.020.030.E.

Findings of Fact, Conclusions, and Recommendation
Z20-282COMP p. 3
6. The Application is consistent with the Countywide Planning Policies for Spokane County, the comprehensive plans of neighboring jurisdictions, applicable capital facilities plans, the regional transportation plan, and official population growth forecasts.

7. The Application has been considered simultaneously with the other proposals included in the 2021 Annual Comprehensive Plan Amendment Work Program in order to evaluate the cumulative effect of all the proposals.

8. SEPA review was completed for the Application.

9. The Application will not adversely affect the City’s ability to provide the full range of urban public facilities and services citywide at the planned level of service, or consume public resources otherwise needed to support comprehensive plan implementation strategies.

10. The Application proposes a land use designation that is in conformance with the appropriate location criteria identified in the comprehensive plan (e.g., compatibility with neighboring land uses, proximity to arterials, etc.).

11. The proposed map amendment and site is suitable for the proposed designation.

12. The map amendment would implement applicable comprehensive plan policies better than the current map designation.

RECOMMENDATIONS:

In the matter of Z21-282COMP, a request by Liam Taylor of Storhaug Engineering on behalf of Touchmark on South Hill, Ryan Benson and the City of Spokane to change the land use plan designation on approximately 6.04 acres of land from “Residential 4-10” to “Residential 15-30” with a corresponding change of the implementing zoning to “Residential Multi-Family (RMF)”, based upon the above listed findings and conclusions, by a vote of 8 to 0, the Spokane Plan Commission recommends City Council APPROVE the requested amendment, subject to modification of the proposal to a land use designation of “Center and Corridor Transition” with a corresponding change in the implementing zoning to “Mixed Use Transition Zone (CC4)”, with corresponding amendments to the Land Use Plan Map of the City’s Comprehensive Plan and the City’s Zoning Map, and authorizes the President to prepare and sign on the Commission’s behalf a written decision setting forth the Commission’s findings, conclusions, and recommendation on the application.
