Webinars

- **Elevating the Transit Journey - Mpact**
 - Mapping and improving the rider experience is essential for building trust, increasing ridership and aligning transit with broader land use and policy goals. It also is essential for prioritizing capital investments, from wayfinding updates to new vehicle purchases.
 - Join the webinar to learn about
 - The current state of customer experience in the transit industry
 - How leading agencies are responding to evolving rider expectations
 - Strategies, ranging from digital tools to human-centered design, for gathering feedback, measuring satisfaction and implementing improvements that make transit more responsive, inclusive and effective.
 - [Register Here](#)
- **New Report: Lime Mobility Insights from Baltimore, Nashville, and Phoenix – League of American Bicyclists**
 - Join us to hear from experts at Lime and the League of American Bicyclists, along with practitioners from the winning cities, as they share key findings from the Mobility Insights Competition report and how cities are putting these insights into action.
