

The Chief Garry Park Planning Committee would like to invite you to a Neighborhood “WALK ABOUT”

We will have folks meet at Cassano’s at 5:30pm for details on the walk/drive and the issues we will be looking at and then break into four groups to do the exercise. We will reconvene at Cassano’s for free refreshments/discussion /wrap-up at 6:45pm

The purpose of these walks/drive is too determine how the neighbors envision changes in these areas, to aid the Committee as it moves forward with their action plan

Members of the Planning Committee as well as our consultants, City Council members and STA will join us

Please join us on June 2nd from 5:30-7:30pm
