Proposed "Crestline Mews" Final City Short Plat  
(1st Review) File # Z1400052FSP

Dear Mr. Ludwick,

This letter is to inform you the information submitted for the above mentioned final city short plat site plan were found to be technically incomplete, based on a review required under Spokane Municipal Code (SMC) title 17G.080, Subdivisions. Copies of department comments are included for detailed information.

Please refer to the attached red-lined site plan and memorandums from departments and agencies that provided comment for incorporation, if applicable, into the recommended revised site plan.

If you have any questions regarding these requirements, please let me know by calling 625-6089. This application will not be processed until 2 copies of the revised plat have been submitted. Also return the red-lined copy. Please make an appointment to resubmit these materials with me. Thank you for your cooperation.

Sincerely,

Dave Compton  
Assistant Planner  
City of Spokane
