

# Construction Update

## Project: CSO 26

**8.6.2020**

- Access to the Lincoln Street entrance to the River Park Square parking garage will be maintained.
- Punchlist work on top of the Plaza will continue. Crews will use caution tape and cones to designate work areas. On the East end of the plaza, fencing will be installed around temporary pumps located on top of the plaza and a temporary ramp will be placed over bypass piping.
- Lincoln St will be closed on Monday June 8<sup>th</sup> between Spokane Falls and Main until September of 2020. Phase one of the CSO 26 Bypass was completed on July 20<sup>th</sup>. Bypass pumps will continue to run 24 hours a day. Phase two of the bypass is currently scheduled to take 4 weeks. Once Phase two is complete, crews will begin installing the remainder of drainage and roadway grading. Crews will continue backfilling the Flow Control Chamber starting on August 11<sup>th</sup>.
- On Monday August 17<sup>th</sup>, there will be a Left Hand lane closure on Spokane Falls from Post St to Monroe to demobilize a crane.
