

Construction Update

Project: CSO 26

6.12.2020

- Access to the Lincoln Street entrance to the River Park Square parking garage will be maintained.
- Punchlist work on top of the Plaza Has Begun. Crews will use caution tape and cones to designate work areas. On the East end of the plaza, fencing will be installed around temporary pumps located on top of the plaza during the week of 6-15-20.
- Lincoln Street will be closed on Monday June 8th between Spokane Falls and Main until September of 2020. Crews will continue preparing for a bypass on the project and installing permanent drainage near the loading dock of the Spokane Library the week of June 15th.
- On Monday June 15th there will be a left-hand lane closure on Spokane Falls Boulevard for material delivery. On Thursday June 18th there will be a right-hand lane closure on Spokane Falls Boulevard to set temporary pumps in the CSO tank.
- The project is part of the City's efforts to get to a Cleaner River Faster. The tank will include a new public plaza with views of the lower falls of the Spokane River.
