**RESOLUTION NO. 2018-0061**

A Resolution amending the Comprehensive Plan Amendment Annual Work Program to add a proposed amendment to the proposed arterial street projects map contained in the transportation chapter of the Comprehensive Plan.

**WHEREAS**, the City Council adopted Resolution No. 2018-0021 (March 26, 2018), which set the docket for comprehensive plan amendments during the 2017-2018 amendment cycle; and

**WHEREAS**, section 17G.020.025(B)(1)(a) of the Spokane Municipal Code provides that "[p]roposals to amend the Comprehensive Plan may be made by the City Council at any time. An affirmative vote of not less than a majority of the total members of the City Council is required to initiate consideration of an amendment."; and

**WHEREAS**, in the 2017 update of the City's Comprehensive Plan, Map TR 12 was amended to reflect a proposed Crestline minor collector arterial connection between 37th Avenue and Southeast Boulevard at 31st Avenue; and

**WHEREAS**, the City Council wishes to amend the Comprehensive Plan Amendment Annual Work Program for 2018 to include a proposed amendment that, if approved, would remove the proposed Crestline minor arterial connection from Map TR 12.

**NOW, THEREFORE, BE IT RESOLVED** that the Comprehensive Plan Amendment Annual Work Program, as set forth in Resolution No. 2018-0021, is hereby amended to add the following proposed comprehensive plan amendment:

Amendment of the Proposed Arterial Network Map (Map TR 12) in chapter 4 of the Comprehensive Plan (Transportation) to remove the proposed new urban major collector arterial on Crestline Street between 37<sup>th</sup> Avenue and Southeast Boulevard at 31st Avenue.

**BE IT ALSO RESOLVED** That the City Council has determined that this situation necessitates an emergency comprehensive plan amendment due to a community need to ensure adequate, appropriate, and available public facilities.

**BE IT FURTHER RESOLVED** that the Council requests that planning staff process this proposal as an emergency proposed amendment under SMC 17F.020.040(F) and prepare the amendment for City Council consideration on a faster timeline than the other items currently on the amendment docket.

Passed by the City Council this 9<sup>th</sup> day of July, 2018.

**Subject:** Re: July 9 City Council Meeting

REF: amendment to the City Comprehensive Plan to reverse the Crestline designation as an arterial through Southeast Blvd.

I would like the City Council to add the amendment that reverses the 2017 Comprehensive Plan change that designated Crestline as an arterial to Southeast Blvd to the docket with the other requested amendments.

The proposed Garden District PUD does not extend Crestline to Southeast Blvd.

The Garden District PUD is focused on providing open space and a safe pedestrian and bicycle connectivity as a priority over traffic.

The existing homes on Crestline have an already established connectivity to the Lincoln Heights business district.

The Lincoln Heights Neighborhood District Plan supports a pedestrian friendly and walkable, economically vibrant neighborhood. An arterial through our business district will divide the district center and is contrary to the District Plan and the Garden District PUD.

I live, work and walk in the neighborhood. I want it to be a safe, walkable neighborhood with open space.

Thank you
