Hi Jason,

The findings in the wetland report, including locations of wetland and non-wetland areas, are consistent with what we observed during our site visit on March 14, 2018.

Subject: [Non-DoD Source] Quail Run Property - Confirmation Request

Hello Gentlemen,

I am writing to you in an effort to follow-up on our Quail Run site visit that the three of us conducted together on March 14, 2018. I have provided a copy of the wetland delineation report that was completed for the property in October 2014. Based on the information in the attached report and our site visit, I would like to request a letter or email correspondence as soon as possible from each of you that confirms wetlands are not located on the Quail Run property east of the former Sonneland home. If you have any questions or concerns regarding this request please contact me at 208.412.1499.

Thank you for all your help gentlemen,

Jason Poulsen, PWS
