File Number: Z22-269PPLT

Location Description: The proposal is located at **5808 S Meadow Lane Rd, Parcel: 34064.0047**
Section 06 – Township 24N – Range 43.

Description of Proposal: The applicant is proposing to subdivide an approximately 7.03-acre site into 27 single-family lots. The project is currently a landlocked parcel with access off of the private drive named S Meadow View Lane. Greens at Meadowlane Phase 1 was processed in 2020 (Z20-185PPLT) and access was provided through that plat to this lot. The new phase will provide new roads, water, and sewer to serve each new single-family lot. Each lot is proposed to contain one single-family home. The existing single-family home and outbuildings will be maintained; the lot will be required to be provided with frontage on a public street within the boundary of the plat. The preliminary plat application document indicates that the applicant is requesting relief from the connectivity requirements due to existing adjacent single-family development and adjacent steep slopes.

Legal Description: The entire legal description can be obtained with the Planning and Development Department.

SEPA: SEPA checklist included with application.

Current Zoning: Residential Single-Family (RSF)
