

WELLESLEY & MAPLE Comprehensive Plan Amendment

PLAN COMMISSION EXPANSION TO PROPOSAL

From Workshop on March 25, 2015

An option to the proposal is to add an adjacent parcel (parcel 25011.0320), which is directly west of the subject parcels. This property is presently used for office parking with a special permit and is not owned by the applicant. Both the applicant and the owner of the other parcel are in support of this potential expansion.
