

NOTICE OF APPLICATION AND VIRTUAL PUBLIC HEARING
“Hatch Bridge Shoreline Conditional Use Permit”
File No. Z20-145SCUP

Notice is hereby given that Dan Buller with the City of Spokane Engineering Services Department, applied for a Shoreline Conditional Use Permit on August 17, 2020 for the replacement of the Hatch Bridge, and addition of a new turn lane on Hatch Road. This application is being processed as a Type III application requiring a Public Hearing before the City of Spokane Hearing Examiner. This application was determined to be technically complete on September 4, 2020. The City of Spokane is hereby holding a virtual public hearing before the Hearing Examiner on **Thursday, October 29, 2020**. The City deferred the in-person public hearing in an effort to slow the spread of the coronavirus (COVID-19) and to protect those most vulnerable. Due to the restrictions on public gatherings arising from the COVID-19 outbreak, this hearing will be conducted remotely using web and telephone conference tools, as described below. However, if the Governor’s restrictions for group gatherings are lifted prior to the scheduled hearing date, the hearing will be held in person at the designated time in the Council Chambers, Lower Level of City Hall, 808 W. Spokane Falls Boulevard, Spokane, WA. Any changes to the procedures that will be followed for this hearing will be posted on the city’s website: <https://my.spokanecity.org/projects/hatch-bridge-replacement-scup/> Any person may submit written comments on the proposal and/or participate in the public hearing.

Written Comments Due Date: October 28, 2020 by 5:00 pm

Overview: The City requests that all non-essential visits to City Hall be observed. The City of Spokane along with the Hearing Examiner office is doing its part to slow the spread of COVID-19 and is hosting a virtual Public Hearing in response. In order to maintain compliance with WAC 365-196-845, the City is continuing to hold a virtual hearing to comply with due process on pending applications. Spokane City Council recently passed Ordinance C35905, which authorizes temporary procedural interpretations and also authorizes hearings that can be conducted consistent with the Governor’s proclamations and within the spirit and intent of hearing requirements.

WebEx Details: We encourage all interested persons and the public to utilize the WebEx meeting feature. Please download the application in advance of the hearing. The optimal equipment for audio/video participation is a computer, smart phone, or tablet equipped with a camera and a headset with microphone similar to what you use with your phones for hands-free use. The WebEx application is free to download and use to observe or participate in the hearing. If this technology is unavailable to you, you can participate by phone using the toll number, service charges may apply. Your experience by phone will be similar to a teleconference. The Public Hearing will open with the collection of participant information and an overview of how the hearing will progress, prior to the official opening of the hearing. The public is encouraged to submit written comments prior to the hearing by sending to the City Planner, Donna deBit ddebit@spokanecity.org; comments via email will need to be submitted by no later than 5:00 PM on October 28, 2020 in order for them to be received and prepared for submission into the record; comments received will be entered into the record at the time of the public participation portion of the Public Hearing. Comments received through US Mail will be included if they are received prior to the hearing.

APPLICATION INFORMATION:

Applicant/

Owner: City of Spokane – Engineering Services
808 W Spokane Falls Blvd
Spokane, WA 99201

Agent: Dan Buller – City of Spokane
dbuller@spokanecity.org
(509) 625-6391

File Number: Z20-145SCUP

Location Description: The proposed work is located entirely in the right-of-way, approximately 250' E of the intersection of Hatch Rd. and HWY 195. Directly south of parcel number 34083.0011.

Description of Proposal: The City of Spokane is proposing to replace the Hatch Rd. bridge deck over Latah Creek., replace pavement on bridge approaches, temporary relocate utilities overhead, and install a right turn lane between the bridge and Hwy 195 (north side of Hatch Rd.). This is a Type III application and there will be a Public Hearing in front of the City Hearing Examiner.

Current Zoning: Residential Single Family (RSF)

Public Comment Period: Additional written comments may be submitted on this application by **October 28, 2020**. Written comments should be sent via mail or email to the Planning and Development address listed at the end of this document.

SEPA: A DNS was issued on 7-21-20, City of Spokane lead agency

Decision Making Process Once the applicant makes application to the City of Spokane for the review of the application is determined technically complete, a Notice of Application and Public Hearing will be posted on the property and mailed to all **property owners** and **taxpayers** of record, as shown by the most recent Spokane County Assessor's record, and **occupants** of addresses of property located within a four hundred foot radius of any portion of the boundary of the subject property, including any property that is contiguous and under the same or common ownership and control. This Notice of Application and Public Hearing will initiate a 30-day public comment period in which interested persons may submit written comments to the address of the City Staff. This notice will contain the date, time, and location of the public hearing. After the public comment period has ended, staff will issue a Staff Report to the Hearing Examiner. Finally, a Public Hearing will be held in front of the City of Spokane Hearing Examiner be it virtually or in city hall. Written comments and oral testimony at the public hearing for this proposed action will be made part of the public record. **Only the applicant, persons submitting written comments, and persons testifying at a hearing may appeal the decision of the Hearing Examiner.**

Written comments should be mailed, delivered or emailed to:
