**Hillyard Subarea Plan**

**Tell Us What Hillyard Needs**

The City of Spokane & the Northeast Development Authority (NEPDA) have embarked on a Subarea Planning process for the Hillyard community. The resulting plan will define strategies aimed to improve area conditions, economic opportunity, and quality of life. Addressing community need is a strategic objective of the planning process. The Ask: From your perspective, what are the top three (3) needs in Hillyard (e.g., affordable housing, walkability improvements, jobs, economic opportunity)
