

Link Spokane
Policy Advisory Group Meeting #1
4:00 – 5:30 pm
January 19, 2016

MEETING OBJECTIVES

- Highlight what is Link Spokane, and what have we done to date
- Overview of the Integrated Strategy and Transportation Chapter connection
- Present overview of existing Transportation Chapter Vision and Values
- Discuss what is still relevant, how much has been implemented and the importance and relevance to look ahead (based on existing Chapter). (We want this document to be a useful tool to help Spokane move forward.)
- Discuss and measure support for updated draft Transportation Vision
- Process drives the product – what are your ideas?
