

LINK SPOKANE PUBLIC ADVISORY GROUP MEETING #1: TAKEAWAY

CURRENT VISION STATEMENT

“Citizens of Spokane will have a variety of transportation choices that allow easy access and mobility throughout the region and that respect property and the environment”

DRAFT VISION STATEMENT

“Citizens of Spokane will have a variety of transportation choices that allow safer access and mobility throughout the region; that promotes healthy living; that supports land use and respects the environment; encourages economic development; and that provides affordability and community development by integrating transportation and city utility infrastructure planning”

Homework #1

What is the Draft Vision Statement missing? (general ideas, specific wording, etc)

EXISTING TRANSPORTATION GOALS (# OF POLICIES)

- TR 1: Overall Transportation (1)
- TR 2: Transportation Options (22)
- TR 3: Transportation and Land Use (6)
- TR 4: Efficient + Safe Mobility (25)
- TR 5: Neighborhood Protection (7)
- TR 6: Environmental Protection (8)
- TR 7: Sense of Place (6)
- TR 8: Regional Planning (5)
- TR 9: Equitable Funding (3)
- TR 10: The Future (3)

10 GOALS
86 POLICIES

EXISTING TRANSPORTATION POLICIES

There are 86 policies for the 10 goals listed above. We will start discussing these at Meeting #2, but they can be found here: <https://static.spokanecity.org/documents/business/resources/mostrequested/comp-plan-2015-full.pdf> in the current adopted Comprehensive Plan (page 85 for TOC, page 94 for text).

Homework #2

Thinking about the Draft Vision statement, are there goals that might need to be re-stated? Are there goals that are missing? Are there goals that might be eliminated or combined to reduce redundancy?
