

# LINK SPOKANE PUBLIC ADVISORY GROUP MEETING #2: TAKEAWAY

## DRAFT VISION STATEMENT

“Spokane will have a multimodal transportation system that provides safe and efficient mobility, supports economic and community vitality, and promotes a healthy, livable community.”

The transportation element of the comprehensive plan will reflect the following values:

- Sustainability
- Stewardship of public assets
- Economic development
- Personal safety
- Place and belonging
- Social equity and health
- Fiscal and environmental responsibility through project integration
- Respect of property rights
- Preservation of the transportation system

## Homework #1

This is still a draft statement. Please contribute any edits that you feel would strengthen the Vision for the Transportation Element of the Comprehensive Plan.
