agenda

1. what we heard
2. universal design elements
3. design option A - Weave
4. design option B - Flow
5. priorities and goals

Maple Jefferson Stakeholder Meeting #3
4.3.2018
Experience
**Color Palette**

Stain colors have been selected to accent and enhance existing brick, stone and concrete. In the future, it may be desirable to add complementary colors and/or designate a color for the underside of the freeway deck.
Spokane is brick, basalt, granite. Big pines.
did we miss anything?
universal design elements
lighting
digital media
flexible artwork
timeless materials
# design character
