RE: Preliminary "Napora" City Short Plat File #Z18-268PSP

The Planning and Development Director, after reviewing the proposed Preliminary Short Plat and comments from interested departments, agencies, and individuals, makes the following findings pursuant to State Platting Laws:

1. THAT the proposed preliminary "Napora" Short Plat File #Z18-268PSP is a preliminary plat proposal of one parcel into two lots, located at parcel number 35193.3422;
2. THAT the proposed preliminary "Napora" Short Plat is allowed under the provisions of Title 17 of the Spokane Municipal Code (SMC), and is consistent with the comprehensive plan designation and goals, objectives and policies for the subject property;
3. THAT the proposed preliminary "Napora" Short Plat complies with the Spokane Unified Development Code Chapters 17C.110, 17G.060, 17G.080, and the City's Comprehensive Plan;
4. THAT two written public comments were received in opposition to the proposal, mentioning historic character of neighborhood and parking concerns;
5. THAT the proposal meets the concurrency requirements of chapter 17D.010 SMC;
6. THAT there is no evidence that the subject property is unsuitable for the proposed use and site plan considering the physical characteristics of the property, including but not limited to size, shape, location, topography, soils, slope, drainage characteristics, the existence of ground or surface water and the existence of natural, historical, or cultural features;
7. THAT the proposal, if approved with appropriate conditions, will not have a significant adverse impact on the environment or the surrounding properties;
8. THAT appropriate provisions (when all of the conditions of approval of the Preliminary Short Plat have been incorporated into the Final City Short Plat) have been made for the public health, safety and general welfare for community facilities, open spaces, drainage ways, public access, streets, alleys, and other public ways, for water supplies, waste disposal and utilities, for parks, playgrounds, sites for schools and school grounds and for the physical characteristics of the proposed Short Plat, and that the public use and intent will be served by the proposed platting;

Therefore, the Planning and Development Director APPROVES the Preliminary "Napora" Short Plat on April 27, 2018 subject to compliance with the following conditions of approval: The name of the Final City Short Plat shall be "Napora" Final City Short Plat, being a portion of the Southwest Quarter Section 19, Township 25 North, Range 43 East, W.M., City of Spokane, Spokane County, Washington.

1. **Note:** A file number will be assigned at time of application.
2. The legal description of the land being platted shall appear on the face of the Final City Short Plat;
3. Final city short plat submittal shall follow all requirements listed in SMC 17G.080.040 F thru I and SMC 17G.080.050 H;
4. Final city short plat submittal shall follow all requirements listed in SMC 17G.080.070 B thru F;
5. Final city short plat "Napora" shall include all standard dedicatory language for a final short plat in accordance with the Spokane Municipal Code;
6. Final city short plat shall include the datum plane as per Spokane Municipal Code 17G.080.040 (B) (2).
7. An address for the new lot will be required prior to the final plat.
8. Bearings and lengths are to be shown for all lines as per Spokane Municipal Code 17G.080.020 (H).
9. It appears that the sewer serving the existing structure on Lot 2 is a shared sewer line that crosses the back part of Lot 1 and is connected with the structure at 812 W 13th. This sewer will need to be located and if it crosses Lot 1 will need to be protected in an easement. The easement will need to be shown on the face of the final plat.
10. The following statements must be in the final plat dedication:
 - a. Only City water and sanitary sewer systems shall serve the plat; the use of individual on-site sanitary waste disposal systems and private wells is prohibited.
 - b. Prior to the issuance of any building permits, the lots shall be connected to a functioning public or private sewer system complying with the requirements of the Planning & Development Department.
 - c. Development of the subject property, including grading and filling, are required to follow an erosion/sediment control plan that has been submitted to and accepted by the Planning and Development Department prior to the issuance of any building and/or grading permits.
 - d. Slope easements for cut and fill, as deemed necessary by the Planning and Development Department in accordance with the City's Design Standards, are hereby granted to the City of Spokane for the construction and maintenance of public streets adjoining this plat.
 - e. All Stormwater and surface drainage generated on-site must be disposed of on-site in accordance with chapter 17D.060 SCM, Stormwater Facilities, the Spokane Regional Stormwater Manual, and City Design Standards. A surface drainage plan shall be prepared for each lot and shall be submitted to the City of Spokane Planning & Development Department for review and acceptance prior to the issuance of a building permit on said lot.

- f. A Transportation Impact Fee will be collected prior to the issuance of a building permit for the affected lot.
 - g. All parking areas and driveways shall be hard surfaced.
11. Identify easement No.10482 to Washington Water Power on the final plat, recording number 913784A from November 2, 1949;
 12. Adherence to the Department of Ecology's comment letter, dated March 23, 2018 to Ali Brast is required for all construction activity;
 13. If any archaeological resources, including sites, objects, structures, artifacts, and/or implements, are discovered on the project site, all construction and/or site disturbing activities shall cease until appropriate authorities, agencies, and/or entities have been notified in accordance with Chapters 27.44 and 27.53 RCW. This language shall appear on the face of the Final Short Plat;

This Preliminary Short Plat is exempt from the Washington State Environmental Policy Act (SEPA).

A Final City Short Plat shall be prepared by a registered Land Surveyor licensed by the State of Washington. Submission of a Final City Short Plat shall include; the filing fee, seven (7) signed paper copies of the proposed Final City Short Plat, and one (1) plat certificate (Title Report) less than thirty days old.

The platlor is authorized for a period of five years from the Date of Approval of this Preliminary Short Plat to prepare and submit the Final "Napora" City Short Plat to Planning & Development for their and other Departments' review and approval. All of the Conditions of Approval shall be incorporated into the proposed Final City Short Plat. A one-year extension may be granted if applied for in writing prior to the expiration date.

The platlor, or their agent, shall then, within thirty days of the signing of the Final Short Plat by the Planning Director, submit the following:

1. One (1) conformed mylar of the Final City Short Plat, which bears the Auditor's File Number and Recording Information, with the Planning & Development Director.
2. Eight (8) conformed paper copies of the Final City Short Plat, which bears the Auditor's File Number and Recording Information, with the Planning Director.
