Spokane, WA 99201

**Owner:** City of Spokane  
808 W Spokane Falls Blvd  
Spokane, WA 99201

**File Number:** Z19-083CUP3

**Location Description:** The proposal is located at 127 W Mission, parcel 35181.0201 **Section 18 – Township 25N – Range 43**; the building is addressed as 1410 N Normandie.

**Description of Proposal:** The applicant is proposing to change the use of an existing vacant building on the subject parcel, which is zoned Office Retail (OR-150). Most recently the building was used for the City of Spokane's fleet services operations, which was a nonconforming use in the OR zone. The applicant is proposing to change the use of the southeastern building, situated at the corner of Sinto and Atlantic, from an Industrial Service use to Manufacturing and Production (brewery/distillery).

There is a nonconforming code section, 17C.210.060.B, which allows in the OR zone for an applicant to apply for a conditional use permit from the hearing examiner, to change the use of a nonconforming building to an equal or more compatible use so long as no new building, enlargement or extensive alteration is involved. Both the most recent use and the proposed use are in the Industrial category and would therefore comply with the above mentioned code allowance. This process requires a Type III Conditional Use Permit. The scope of the proposal at this point in time, is just the change of use for zoning purposes; minimal site work is proposed on the site plan, which indicates that 29 parking stalls will be provided to meet minimum parking requirements. Any future site work proposed by the applicant would be reviewed during building permit.

**Legal Description:** The entire legal description can be obtained with the Planning and Development Department.

**SEPA:** This proposal will be reviewed under the State Environmental Policy Act (SEPA). Checklist attached. The lead agency is likely to issue a Determination of Non-Significance for this project. Please note that this may be the only opportunity to comment on the environmental impacts of the project. The lead agency is using the optional DNS process for this project as outlined in WAC 197-11-355

**Current Zoning:** Office Retail (OR-150)
