

Construction Update

Project: Post Street Bridge

9.18.2020

Two week look-ahead:

- Access to the Post Street Bridge is closed to the public.
- Work was stopped 9/14-9/16 due to hazardous levels of smoke in the air.
- Abutment rock excavation will continue through September.
- Arch foundation core drilling will continue through September.
- Prep and repair of arches will begin the first week of September and continue through the month.
