Subject: **Rail-Truck Transload Preliminary Binding Site Plan – Request for Comments**

Applicant: Airport Board City of Spokane/Spokane County
c/o Lisa Corcoran
9000 W. Airport Dr. Suite 204
Spokane, WA 99224

Agent: Ardurra
Brian McCluer
1717 S. Rustle St. Suite 201
Spokane, WA 99224

Owner: City of Spokane and Spokane County

File Number: Z25-188PBSP

Location Description: The proposal is located at **3911 S Craig Road., Parcel 15355.9007**, SEC. 33, T. 25 N., R. 41 E., W.M.

Description of Proposal: The owner is proposing to divide parcel **15355.9007** addressed as **3911 S Craig Road** into 9 lots for the purpose of creating developable lots. Access and utilities will be provided in tracts or easements. This project will be processed as a Type II application and is categorically exempt from SEPA. The BSP will include dedication language for the Airport and FAFB overlay zones and any other easements and notification for those entities, as required by applicable codes and regulations.

Legal Description: 35-25-41 SEC 35 EXC N1/2 OF NE1/4 & EXC RDS AFN 7383873

SEPA: This proposal is exempt from SEPA. Any future structures that would exceed the SEPA threshold would be required to do SEPA for their project prior to Building Permit.

Current Zoning: Light Industrial (LI)

REPORT NEEDED BY: 5 P.M. March 26, 2025. If additional information is required in order for your department or agency to comment on this proposal, please notify Planning and Development as soon as possible so that the application processing can be suspended while the necessary information is being prepared. Under the procedures of SMC 17G.061, this referral to affected departments and agencies is for the following:

- 1) The determination of a complete application. If there are materials that the reviewing departments and agencies need to comment on this proposal, notice of such must be provided to the applicant;
- 2) Provides notice of application;
- 3) Concurrency Testing, **please note one of the following:**
 - a) (X) This application is subject to concurrency and agency is required to notify this department that applicant meets/fails currency; OR
 - b) () This application is exempt from concurrency testing, but will use capacity of existing facilities.

Under the revised procedures of SMC 17G.061, this referral to affected Departments and Agencies is to provide notice of a pending application. **THIS WILL BE THE LAST NOTICE PROVIDED TO REFERRAL DEPARTMENTS AND AGENCIES UNLESS WARRANTED.** If there are materials that the reviewing Departments and Agencies need to comment on this proposal, notice of such must be provided to the Applicant. The lack of comment by any referral agency will be considered to be acceptance of this application as Technically Complete.

* - The lack of comment including concurrency by any referral agency will be considered acceptance of this application as technically complete and meeting concurrency requirements.

** - Please forward your comments to Adam Hayden, Planning and Development at least 2 working days before the "Report needed by" date shown on the front page.
