1. List the provisions of the land use code that allows the proposal.

   This proposal is allowable under Spokane Municipal Code § 17C.1101360 & § 17G.080.040.

2. Please explain how the proposal is consistent with the comprehensive plan designation and goals, objectives and policies for the property.

   This proposal is consistent with the City of Spokane comprehensive plan designation of maintaining single family residential density, and consistent with the Pocket Residential Development intent to "Stimulate new compact infill housing that is compatible in scale and character to established surrounding residential areas."

3. Please explain how the proposal meets the concurrency requirements of SMC Chapter 17D.010.

   The parcel being divided is currently served by, and is in close proximity of, all of the facilities listed in Spokane Municipal Code § 17D.010.010, to include sewer and water.

4. If approval of a site plan is required, demonstrate how the property is suitable for the proposed use and site plan. Consider the following: physical characteristics of the property, including but not limited to size, shape, location, topography, soils, slope, drainage characteristics, the existence of ground or surface water and the existence of natural, historic or cultural features.

   An engineering site plan is not expected for this property. The parcel is of adequate size to be divided, and is rectangular in shape. Topography is flat in nature, with less than 2' in vertical difference. The terrain and landscaping is of a typical neighborhood, consisting of grass, bushes, trees, sidewalks, and fencing.

5. Please explain any significant adverse impact on the environment or the surrounding properties the proposal will have and any necessary conditions that can be placed on the proposal to avoid significant effects or interference with the use of neighboring property or the surrounding area, considering the design and intensity of the proposed use.

   No adverse impacts, interference, or significant effects are anticipated with the environment, neighboring property or the surrounding area with this proposal given its small nature.

6. Demonstrate how the proposed subdivision makes appropriate (in terms of capacity and concurrence) provisions for:

   a. public health, safety and welfare - No significant impact is anticipated.
   b. open spaces - Open spaces are not a part of this proposal.
   c. drainage ways - There are no existing or planned drainage ways on this property.
   d. streets, roads, alleys and other public ways - No right-of-way modifications or dedications anticipated.
   e. transit stops - The nearest STA stop is located 150± ft easterly, at Belt St and Rowan Ave.
   f. potable water supplies - Potable water is available on Rowan Ave.
   g. sanitary wastes - Sanitary sewer is available on Rowan Ave.
   h. parks, recreation and playgrounds - Loma Vista Park is located 0.16 miles northwesterly of proposal.
   i. schools and school grounds - Browne Elementary is located 0.90 miles southwesterly of proposal.
   j. sidewalks, pathways and other features that assure safe walking conditions - Sidewalks exist on the south and west boundaries of the proposal.
