

SOUTH LOGAN TOD

VIRTUAL OPEN HOUSE

PRELIMINARY ALTERNATIVES

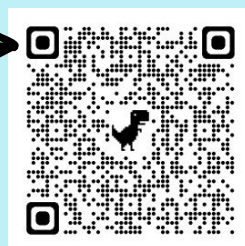

Shape the future of the South Logan area!

The South Logan Transit-Oriented Development (TOD) Project will support more **vibrant, walkable, and connected places** in the South Logan area to live, work, play, and learn.

What we will be discussing:

The City of Spokane and consultant team will present an overview of the South Logan TOD Project, **share the preliminary alternatives for future growth in the South Logan area**, and gather feedback. The preliminary alternatives, guided by community input, examine a mix of uses and intensities, public improvements, and actions that meet community values.
