Construction Update

Project: Mission Avenue Grind and Overlay

6.4.2020

Work scheduled for next two weeks:

- The Replacement of the existing Wheelchair ramps west bound are complete.
- Contractor will complete east bound next week.
- Contractor has installed the new drain lines across Mission at Florida and Myrtle and will complete the remaining drainage on the south side of the road by the middle of next week.
- The sidewalk on the south side of Mission will be closed; however, the north side will be open to traffic.
- Contractor is still looking at starting milling of the existing roadway on 6/15, at which time Mission will be closed to thru traffic both east- and west-bound with Trent being the detour route. Small openings on Florida will allow traffic to access businesses.

Traffic impacts next two weeks:

- During the next week of construction there will be at least one lane of traffic in each direction. The south side sidewalk will be closed; however, the north side will be open for pedestrian traffic.
- Starting on 6/15, Mission will be closed to all through traffic for approximately two weeks for the milling and paving operations.
