Thor-Freya 2nd/3rd Intersections

Thor-Freya 2nd/3rd Intersections

Project Number: 2021098

Status: Design

Construction Estimate: \$ 2,500,000

Project Description: Full roadway reconstruction with concrete, curb and stormwater facilities replacement, ADA ramp upgrades, and water/sewer replacements at the 2nd/3rd/Thor/Freya intersections.

Project Location(s) and Schedule

- 2nd Ave. and Thor
- 2nd Ave. and Freya
- 3rd Ave. and Thor
- 3rd Ave. and Freya

Crews will be in the area during the scheduled time frame. All schedules are approximate and dependent on weather and unforeseen delays. Once the contract has been awarded, contractors will be responsible for setting and maintaining the schedule for the work to be done. If you have questions regarding the construction schedule or the work being done, please contact the contractor's public representative. Contractors are required to provide two business day's notice to a homeowner/business if the homeowner/business owner's property will be directly

Project Goals

- Complete Couplet Surface Improvement
- Upgrade Utilities
- Prepare for North-South Freeway Interchange

Additional Project Details

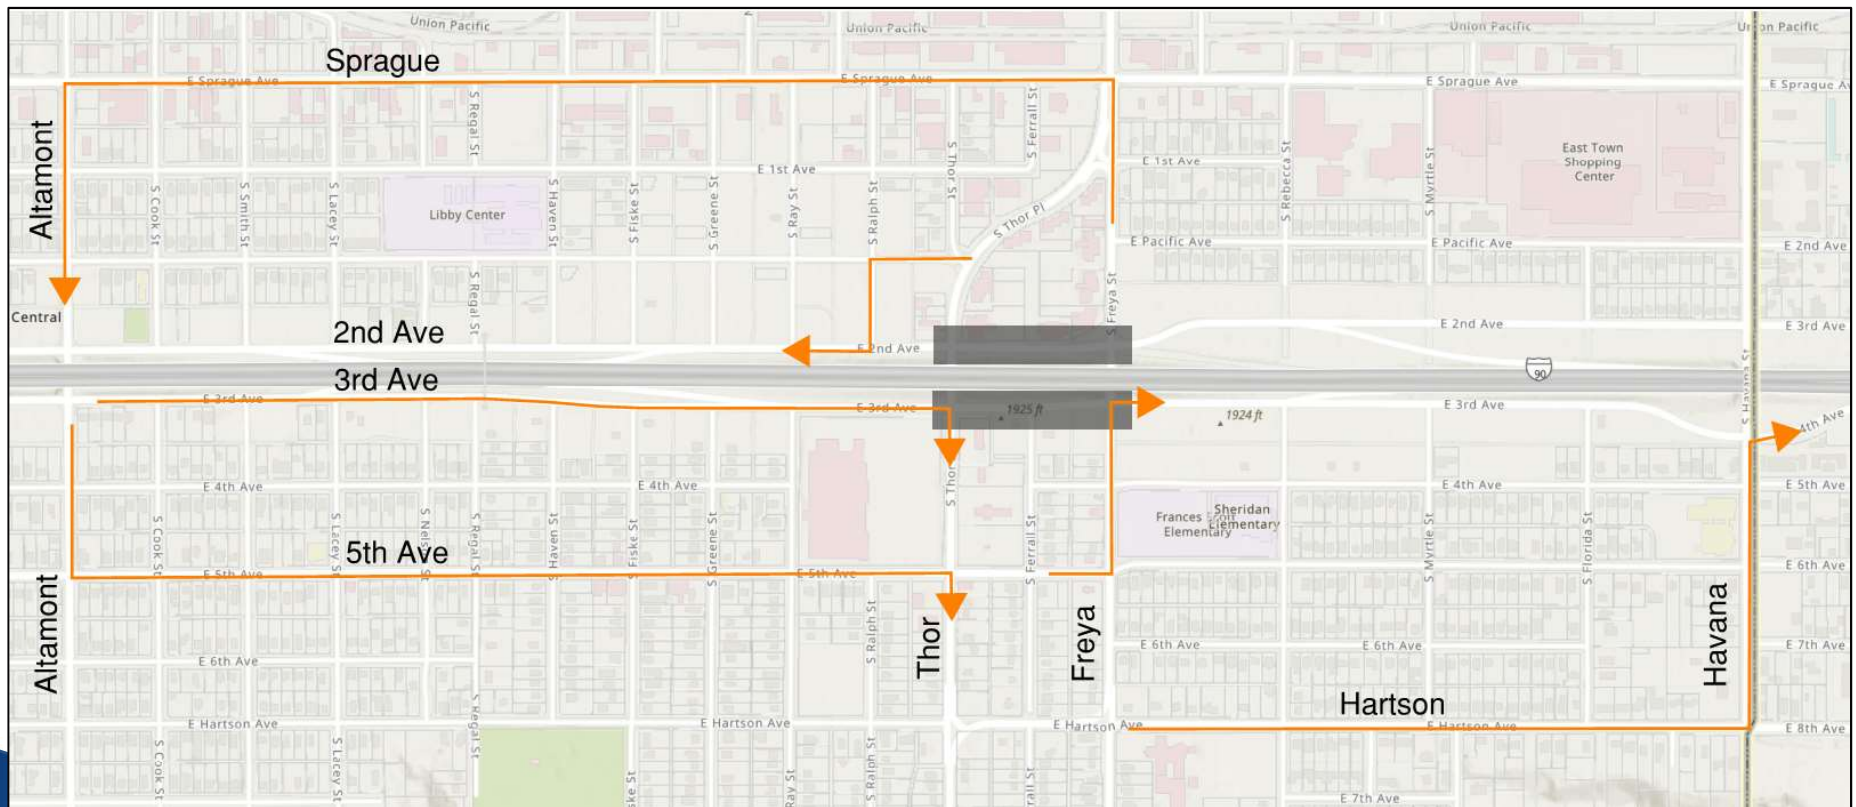

- Project Budget: ~ \$2.5M
- Bid: Early April 2023
- Construction June–August 2023
- Project Phasing

Detours

Goals and Realities – How is this different than last time?

- Localize and shorten detours
- Keep cars as close to usual routes as possible
- More arterials will be accessible
- Some cars will not follow detours

Questions / Comments

Rich Proszek

rproszek@spokanecity.org

Call: 509-625-6907

- *Why didn't you do it all at once!?*
 - Scope and Schedule
 - Funding
 - North-South Freeway
