

**NOTICE OF APPLICATION FOR A  
SHORELINE CONDITIONAL USE PERMIT  
“Woodhead Residence”  
File No. Z1500004SCUP**

Notice is hereby given that the City of Spokane applied for a Shoreline Conditional Use Permit on January 9th, 2015. This application was determined to be technically complete on October 27, 2015. **There will be a public hearing on this proposal** before the City of Spokane Hearing Examiner on **Thursday January 7<sup>th</sup>, 2016 at 9:00 a.m.**, in the Council Briefing Center, Lower Level of City Hall, 808 W. Spokane Falls Boulevard, Spokane, WA. Any person may submit written comments on the proposal and/or appear at the public hearing.

A Shoreline Conditional Use Permit is required for this work because the existing residence was previously built in the shoreline buffer and was considered a nonconforming structure. The proposal is to enlarge the previous footprint of the home (it has been torn down due to damage). The Spokane Municipal Code says that the enlargement of a nonconforming single-family residence is allowed through a Shoreline Conditional Use Permit.
