

# RAINY DAY? NO PROBLEM!

We have an activity you can do in the rain or on a sunny day!

What happens when it rains? Where does it go?

ASK YOUR PARENTS TO GO WITH YOU FOR A WALK IN YOUR NEIGHBORHOOD TO SEE IF YOU CAN FILL IN THIS STORMWATER SCAVENGER HUNT!

Have you noticed these drains before?

# Stormwater Scavenger Hunt

CAN YOU FIND...

Clean Storm Drain

Storm Drain with leaves or sticks

People doing yardwork

A Swale

A Downspout

**Bonus Challenge!**

Trash pick-up!

Count how many pieces of trash you pick up on your walk and challenge a friend to beat your score!

Storm Drain with trash or recycling

**Managing stormwater is key to protecting our river. You can help by:**

- wash your car on your lawn or at a car wash
- properly dispose of household chemicals
- clean up after your pet
- use garden chemicals properly & sparingly
- repair vehicle leaks
