Section 1 - Facility Information

Name of Dental Practice:

Facility Address:

Mailing Address:

City: ___________________________ State: ______ Zip: ____________

Phone: ________________________ FAX: ____________________

Email Address: __________________________

Authorized Representative as defined in SMC 13.03A.0103.D: ___________________________

Name: ___________________________

Date of first discharge under current ownership: ______

Section 2- Exemption Certification  (Skip to Section 3 if your facility does not qualify for exemption)

☐ I certify that the provisions of 40 CFR Part 441 do not apply to process wastewater discharges because this facility exclusively practices one of the following dental specialties:

☐ Oral Pathology  ☐ Orthodontics

☐ Oral and maxillofacial radiology  ☐ Periodontics

☐ Oral and maxillofacial surgery  ☐ Prosthodontics

☐ This dental practice is exempt from any further requirements of this rule because they practice exclusively in a mobile unit, such as a van, truck, or trailer.

☐ This dental practice is exempt from any further requirements of this rule because they do not discharge to sanitary sewer, such as collection of all dental amalgam wastewater for transfer to a Centralized Waste Treatment facility.

☐ This dental practice is exempt from any further requirements because they do not place or remove amalgam except in limited emergency, unplanned, unanticipated circumstances, and do not accept new patients that have amalgam fillings.

Signature: ___________________________

Printed Name: __________________ Title: ___________________

If you checked any of the above exemptions, please sign above and return the form. Do not fill in the remainder of the form.

Section 3- Description of Operation:
