HOW ARE ATHLETIC FIELDS ALLOCATED?

Groups requesting rental of athletic fields for games or practices must complete an Athletic Field Use Application. All USER GROUPS must meet all application requirements as outlined within this document.

The Park Board has authorized SPRD staff to use Park Board Policies to be the final authority with sole discretion to assign and schedule fields; approve or deny specific requests and to reassign fields due to extenuating circumstances.

SPRD will do its best to assign fields to USER GROUPS in order to offer the broadest opportunity for participation to City of Spokane residents.

FIELD ALLOCATION PRIORITIES

In general, tournament or league games will take priority over practices. National, State or Regional Tournament applications will be processed prior to league and practice requests. Past historical performance of the USER GROUP will go into the decision about new allocations (i.e. no outstanding bills...)

Guidelines:

- a. Spokane Parks and Recreation Department (SPRD) has sole discretion to assign and schedule all fields and shall have the authority to approve or deny specific requests as well as reassign fields due to extenuating circumstances.
- b. SPRD will set up meetings in which user groups who have conflicting bookings will meet to resolve issues amongst themselves with SPRD having final authority to resolve disputes.
- c. SPRD may consider the primary sport the facility was built for in order to resolve/determine conflicting requests.
- d. SPRD may also consider equitable access for groups representing a variety of sports in order to resolve / determine conflicting requests.

Field Allocation Priorities:

- a. **Tournaments**—If the level or type of tournament changes after approval you must inform our department in writing before changing a date, level, or type of tournament. Violations of this section will result in your tournament selection being terminated or an additional fee being charged.
 1. Department sponsored programs
 2. National sanctioned tournaments
 3. Regional sanctioned tournaments
 4. State sanctioned tournaments
5. Invitational sanctioned tournaments
 - b. **SPRD Recreational Programs** take precedence on Merkel Sports Complex locations. These programs will primarily be general adult and youth recreation sport programs and niche adult or youth recreational sports programs. Niche programs are not currently or historically offered in the community and it is the intention of SPRD to fill these programming voids when applicable.
 - c. **Spokane Public School** programs may supersede other organizations' facility requests many fields in accordance with established joint facility usage agreement.
 - d. **Recreational youth athletic programs**—no participants get "cut"
 - e. **Recreational adult athletic programs**--no participants get "cut"
 - f. **Select youth athletic programs**—participation is by invitation or through a 'try-out' process.
 - g. **Select adult athletic programs**—participation is by invitation or through a 'try-out' process
 - h. **Independent of national affiliate**-- sponsored youth or adult athletic programs.
 - i. **New USER GROUP'S requests** or "one-time" requests will be dealt with on an individual basis.

USER GROUPS must meet requirements as outlined within this document.

Spokane Parks and Recreation Department will allocate the majority of fields to user groups that offer the broadest opportunity for participation to the citizens of Spokane.

4. Number of field units assigned to USER GROUPS will be based on:
 - a. Priority outline
 - b. Number of participants within user groups
 - c. Total number of requests received
- d. Field availability

Field Scheduling Process

Once the initial field allocation process is completed and groups have been allocated fields per the above priorities all fields are allocated on a first come first serve bases regardless of where a particular group originally was placed on the priority scale

- c. For cancellations or changes due to weather, user groups are responsible to re-request cancelled field space. User groups will be re-allocated field space according to where a particular group was originally placed on the priority scale.

1. An application fee of \$50 will be charged to the User Group upon submitting the application or a request.
2. Certificate of Insurance with proof of required coverage through duration of the reservation period must be provided at time of application.

Field Scheduling Policies

1. Each USER GROUP will schedule their own games & practices according to the number of field units they have been assigned.
2. USER GROUP schedulers are required to give **7 business days' notice when requesting any changes for field use.** Any change in the schedule requested by the USER GROUP will result in a \$5.00 fee to be charged to the USER GROUP for **each** change. The exception is in the case of inclement weather conditions.
3. If the change results in a cancelled slot(s), the original USER GROUP assigned to the slot will be charged if 7 business days' notice is not given. In addition to a cancellation any changes to reservations that have already been officially allocated and added to a permit will be charged at a rate of \$5 / change.

4. All Field allocations will be charged to the USER GROUP, if proper 7 business day notice is not given, whether used or not. This means if a group does not use the entire length of their requested booking, they will be charged for the entire length of the original booking, plus any additional time over that original booking that is used.
5. User Groups must release any of their field reservations that they are not planning on using within a 7 business day time period of that reservation. There will be a \$25.00 charge if we find a reserved field **NOT** being used by the user group without that 7 day notification. This applies to both Tier I and Tier II Facilities.
6. Field Closure Re-Scheduling/RAINOUTS/Cancellations: Fees will be waived for games/practices that are rained out or cancelled by SPRD in the following cases:
 - a. The USER GROUP contacts SPRD within TWO working days after a field closure to reschedule a game(s) or practice(s).

10. Grass athletic fields will be available for use, weather permitting, approximately April 1st through October 31st. Synthetic turf fields may be available year-round depending on the ability of SPRD to ensure adequate field safety and performance of proper turf & facility maintenance.
11. Breaks between rentals with less than 1.5 hr. time in between are deemed unsellable. SPRD acknowledges that USER GROUPS tend to show up early to warm up etc. prior to reservations. Scheduling breaks less than 1.5 hours between reservations for the same USER GROUP will not be allowed.
12. Turf time must be booked in a minimum of 2 hour chunks in the offseason (November- March). Please see the Dwight Merkel Turf offseason booking schedule.
13. Winter use of fields will be limited to Dwight Merkel’s two artificial turf fields.

Tournament Field Maintenance

Ball fields will be maintained throughout the tournament to the best of the field maintenance staff's capabilities. Tournament directors are required to work with the field maintenance staff to schedule maintenance breaks throughout the day. Infield play or practice is prohibited during maintenance breaks for the safety of employees and participants.

- ½ prep is defined as work done on pitcher's mound and batter's box along with any unsafe areas to include a quick raking, water spray and chalking.
- Full Prep is machine dragging the entire infield, watering, and re-chalking.

Park maintenance personnel have the final authority regarding the play-ability of the fields. Park staff will consult with the umpire-in-chief and the tournament director regarding the playability of fields during inclement weather. When innings are in progress, the umpire will make the decision to continue or stop play. Maintenance personnel will be scheduled to staff the fields during the course of the tournament at department-established levels.

The tournament director is responsible for assisting field maintenance personnel to keep participants off the playing field when the maintenance is taking place.

Field maintenance standards include, but are not limited to:

- Dragging the infield and raking around the bases
- Watering the infield
- Chalking lines and boxes
- Resetting bases and pitching rubbers

The tournament director will be charged for using more than 5 bags of field conditioner per field, per day to continue field playability. The tournament director will be charged \$17 per additional bag of field conditioner used at the request of the tournament director.

Facility maintenance will be provided during the course of the tournament. Facility standards include, but are not limited to:

- a. Restocking and cleaning rest rooms every two hours or as needed
- b. Empty garbage cans when full or as needed
- c. Pick up litter and trash around grounds every two hours

Tournament Game Schedule

A tournament schedule outlining start and stop times per fields is required and must be submitted to Carissa Ware by 5pm (10) ten business days prior to the starting date or a \$50 fee will be charged. An additional \$25 / day fee will incur for each day the schedule is not turned in thereafter. If your tournament starts on a Saturday, your schedule needs to be submitted to the department by 5pm on the Monday of the week prior. You are required to provide this schedule in writing and in the desired format of the department. Changes after this deadline will result in other fees, charged to the Tournament Director(s). You may email your schedule to: cware@spokanecity.org

- Games will not be scheduled to start earlier than 8 a.m.
- Games must be completed no later than 11:00 PM. There are no exceptions due to a City of Spokane Park Ordinance.
- Two tournaments at the same complex will be considered to be scheduled on the same day.

You must have the written approval with you at the tournament(s) to provide verification. All persons must be allowed access to the concession stand, even if they refuse to pay the admission fee. The city will retain 10% of gate sales. You will be required to provide documentation of ticket sales.

All concessionaires must have a signed contract in order to sell food in the parks. **Tournament directors may not sell any consumables. Tournament directors may sell T-shirts, sweatshirts and hats promoting their tournament (Please refer to “Athletic Field Use Fees” Section on p.6).**

Failure to comply may result in the denial of further use of facilities or the cancellation of scheduled events.

Recreational Vehicle/ Over-Night Parking

Overnight parking is prohibited without a permit. Over-night RV parking is available at some of the sites. To obtain a RV permit please contact parkfieldsallocations@spokanecity.org or call 509-625-6208. We offer a limited number of dry land parking spaces for \$45/ night.

Anyone who does not adhere to these guidelines may be towed at the owner's expense, or may be locked within the complex during normal closed hours.

Field Playability

SPRD will also reserve the right to limit the amount of scheduled and non-scheduled play on athletic fields during any given season to prevent excessive damage to turf. The determination to rest a field and begin restorative activities will be at the discretion of the Maintenance Department.

Field Closure/Rainouts – During periods of inclement weather, field closures will be determined by maintenance personnel before 2:00pm daily. If maintenance personnel are unable to make a definitive determination to the playability of the field, it will be up to the umpire, referee, or other authority officiating a game to make the call if the field conditions are playable. Closures may result from poor playing conditions that could cause safety hazards for the public.

Damaged property that could result in excessive repair work to bring the field back to a playable condition may result in a field closure.

It is the USER GROUP'S responsibility to obtain field closure information.

If a field is closed, no practice is allowed.
