

Softball Program – Leagues and Tournaments 2017

The City of Spokane Parks and Recreation has knocked one out of the park by revamping softball league and tournament fee structure and awards for all open age divisions.

Leagues

SPRD will offer a **summer season** 10 game league in addition to the usual Spring and Fall seasons. Spring leagues will play 14 regular season games, followed by a double elimination tournament for all teams in the division. That means a minimum of a 16-game season with a potential for a lot more. League winners will be awarded high quality dry-fit shirts, a shiny plaque, and a free entry into the following tournament (winning the spring league season will get your team into Summer Shakedown, summer league will get you into the Fall Brawl and Fall league will get you into the next years Spring Swing).

Spring League Registration Fees

Register early and pay \$850 (early bird promo ends 4/14/17). Regular registration fee is \$900 (closes 4/21/17).

Tournaments

Teams will play two games through pool play followed by a double-elimination tournament format bracket. Tournament awards include high quality dry-fit shirts, a shiny plaque, and cash prize equal to the registration fee amount or more (\$275 or more depending on the number of teams per division*).

Tournament Registration Fees

Registration fees have been dropped to \$275 and with a four game guarantee your team will be sliding into home plate for the win!

Cash Prize

This grand-slam cash prize deal is a combination of sponsorship donations and 10% off your registration fees. The minimum cash prize amount given will be equal to the cost of registration (\$275). The best part is that the more teams registered, the larger the cash prize will be!

* The qualification requirement for cash prize is that there has to be at least six paying teams registered in a division. If your division has a team who received a free bid into the tournament, their registration will not count towards the minimum number of team required.

Recap:

- Tournament Registration fee is \$275/team.
- Four game guarantee in tournament play.
- Tournament awards include a high quality dry-fit shirt, a plaque; and a cash prize (which is made up of sponsorships donations and 10% team registration fees).
- All open age divisions will have a cash prize, if at least 6 teams pay the registration fee.
- Minimum cash prize is \$275. The more teams - the larger the prize.
