Special Rules

USA Rules apply unless otherwise stated below. All SPRD special rules listed below will supersede USA rule book.

1. During league play, Home team for the first game of the doubleheader will be decided by coin flip. Teams will switch home/away for second game of doubleheader.
 - A. During end season playoff, higher seeded team gets choice of being Home or Visitor.
2. Both teams will provide an ASA stamped .52 cor, 300 compression 12" Men's ball in good condition, and an ASA stamped 11" Women's ball in good condition to the umpire prior to the double header beginning.
3. **The count will start at 1-1 with a courtesy foul.**
4. Teams will be allowed to start and end a game with 9 players.
 - A. If a team starts with 10 players and a player has to leave the game and there is no substitute to take his/her place, that position in the batting order will be an automatic out when his/her turn comes to bat.
 - B. A starting player and a substitute may be re-entered into the lineup once as long as that player assumes the same position in the batting order. This will permit coaches to get all players into the game.
5. **Courtesy Runners:** One courtesy runner per inning, per gender unless there's an injury during the same inning. Courtesy runner can be anyone in the lineup. If the courtesy runner is on base when their turn to bat comes up, the runner will be declared out and removed from the base path. The courtesy runner will take their turn at bat if there are less than 2 outs. A second courtesy runner is not permitted at this time.
6. **Scoring:**
 - A. **(3)** Home runs and then progressive. After team hits 3 home runs it cannot go ahead of the other team by more than 1 home run. A batter hitting the ball over the home run limit will be declared OUT and no runners advance.
NOTE: In the bottom of the last inning the Home team can only equal the number of Home Runs by the Visitors (in excess of 3). If neither team has hit 3 Home Runs by the bottom of the last inning, the Home team can hit their third.
 - B. **Run Rule: 20** after 3 innings, **15** after four innings, and **10** after five innings.
 - C. The ASA tie-breaker rule (a runner is placed on 2nd base at the start of the inning) will be in effect if a game is tied after 7 innings or if the game is tied after the umpire had declared "Last inning".
7. **Time limits:** No new inning will start after 1 hour and 15 minutes (75 minutes).
