

SUMMER CAMPS 2021

LOOK INSIDE ... THEN GET OUTSIDE

FUNSHINE SUMMER CAMP • CORBIN ART CENTER

OUTDOOR ADVENTURE CAMPS • DAY CAMPS AT MERKEL

All Spokane Parks and Recreation programs are offered in accordance with current COVID-19 guidelines.

City of Spokane **PARKS & RECREATION**

Summer is just around the corner! In these challenging times of COVID-19, we hope that Parks & Recreation can be a place to support your mental and physical health. In-person programs are modified in accordance with the Spokane Regional Health District, following the Governor's mandates for the current phase guidelines. Decreased capacity, mask wearing, physical distancing, and frequent sanitation are just a few of the measures in place.

Our top priority is to meet the health and safety needs of our participants, campers and staff, and provide a positive and fun experience for all, in accordance with the specific guidance for operations. Here are a few important dates and details to help you plan:

- This guide is for summer camps only. The full Summer Activity Guide that features activities beyond camps will be posted online and mailed out in May 2021.
- Most summer camps you see in this guide will start their first session the week of June 21.
- The Aquatics 2021 season schedules will come out in the complete Summer Activity Guide. However, the schedule may be available online earlier, at SpokaneRec.org under the Aquatics tab. Swim lesson registration will open May 1.
- Witter Aquatics Center is anticipated to open for Pre-Season lap swim on Monday, May 10, 2021. Pre-registration will be required as part of our COVID protocols through SpokaneRec.org, under the Aquatics tab.
- Following all the phased guidelines, the Aquatics season will look different than we are all accustomed to. Please be patient with us as we will continuously navigate and modify operations to best meet the needs of the community safely.

To keep updated on the status of COVID-19 impacts to our programs, please visit SpokaneRec.org. Be sure to sign up for the Spokane Parks and Recreation newsletter for the most up to date information at spokaneparks.org/newsletters.

Summer Day CAMP @MERKEL

1 week | Ages 7-11 A great summer camp should be a fun place where kids can explore a variety of activities, discover new interests, make friends, and feel confident to try something new. The Summer Day Camp at Merkel operates under three core values: a safe place to try new things, a fun and positive experience, with exceptional instruction and supervision. Activities include traditional camp games, arts and crafts, sports, BMX, skate park activities, plus a variety of outdoor adventures. Please contact us or go to our website at www.spokaneparks.org/camps for additional information. **Dwight Merkel Sports Complex – 5701 N Assembly. 9:00am – 4:00pm each day.**

The Amazing Summer Race

Team up with camp staff and other participants for a challenge course all over Merkel! Groups will play games to promote collaboration, creativity, and problem-solving while scavenging for clues and exploring different “cultures and languages” – even creating their own! Come and make new friends, hone your teamwork skills, and have a blast at the Summer Camp at Merkel!

Surviving the Zombie Apocalypse

The zombies are coming! Will you survive? Join with camp staff and participants for a camp-wide survival challenge at Merkel! Teams will play strategy games, engage in a variety of problem-solving collaborations, and learn from survival experts! This week campers will delve deeper into leadership, strategy, and communication.

Outdoor Adventures

This week is geared toward helping campers learn about the world around them and gain a new appreciation for the outdoors. Unplug from the hustle and bustle of everyday life and join our staff for fun-filled, team-building and self-esteem-boosting activities such as standup paddle boarding with the expert staff of our Outdoor Recreation Department!

Mad Science at Merkel!

Are you a fan of the Backyard Scientist? Then this camp is for you! Camp staff and participants will engage in fun games and activities designed to develop observation skills, intellectual curiosity, resourcefulness, analytical predictions, problem-solving, and much more!
