General Information

Meals

Skiing/snowboarding can be very physical and we burn up a lot of energy, especially on those cold days. For those in the downhill programs there will be food available for purchase in the lodge. Please pack a nutritious lunch and drink. Please be sure to notify us of food allergies. The instructors will help/assist each student as necessary. We will not give money for meals.

Clothing

LAYERING is the best way to dress for skiing, and the concept is very simple. Articles of clothing are combined to form various strata of insulation around the body. It begins with the layers closest to the body, which trap heat and wicks away perspiration. Next comes the intermediate layers. Their job is to maintain a warm layer of trapped air. Finally, the exterior garment forms a protective membrane. This keeps wind, cold air, and water from cooling the warmth-building inner layers. The beauty of this approach to dressing is that you can add or subtract various layers to maintain the desired inner temperature.

First Layer

- **LONG UNDERWEAR** – (top and bottom) these should be polypropylene as this type of material wicks off moisture caused by perspiration. Capilene, REI brand etc. are also a desirable material. It comes in different weights of which expedition is probably the best for the downhill skiing and it does not retain odors. This material is more costly than polypropylene, but well worth the investment if you can afford it.
- **SOCKS** – polypropylene—for same reason as above. Avoid cotton next to the skin. Avoid too many or too thick of socks as there could be bunching that leads to blisters.

Second layer

- **FLEECE PANTS** – for use in very cold weather.
- **MICROFLEECE OR LIGHT-WEIGHT FLEECE TOP OR VEST** – to provide an insulating and breathing layer. Make sure the top allows for freedom of movement.
- **JACKETS, SHELLS OR BIBS** – are filled with either the traditional goose down or some synthetic insulating material. They are usually covered by some sort of nylon blend or by a water-resistant fabric like Gore-Tex. You may also invest in a silicone spray or Camp-Dry to spray materials helping them to be more water resistant. **No Jeans.**
- **MITTENS OR GLOVES** – Keeping your hands warm is best done with mittens, but gloves allow you to feel the poles much better. For the real cold days, a liner can be worn inside your gloves. It is also best to have an extra pair of gloves in case your gloves get wet.
- **SKI HAT** – A ski hat is essential. You can lose almost 50% of your body heat through your head, and not wearing a hat on cold days is an invitation to illness.
- **GOGGLES OR SUNGLASSES** – Goggles or sunglasses can help protect a portion of your face from the wind, as well as filter out the harmful rays of the sun.
- **DUFFEL BAG** – Each student should have a large duffel bag to carry his/her extra clothing and lunches. PLEASE wear or bring an extra pair of winter boots to change into for the bus ride home. Remember to label all clothes, ski-equipment and bags!
- **HELMETS** – we strongly encourage downhill skiers and boarders to wear ski helmets. If competing in Special Olympics the skier must wear a helmet. If unable to purchase one, we do have several in our loan program.

***Spokane Parks and Recreation is not responsible for lost equipment or clothing. Please mark equipment.**

Scholarships

Scholarships available upon request. A limited amount of scholarship money is available for individuals needing assistance. We request that individuals pay as much as they can afford so that we may assist more skiers. Call 625-6245 or email to abusch@spokane.org to request an application.

Adaptive Ski/Snowboard

The Program

This program is for children and adults 6 years and older with physical disabilities. All lessons employ a one-to-one or one-to-two instructor/ student ratio. The Instructors are volunteers from the community and local universities/colleges. Our instruction methods follow closely with the P.S.I.A. American Teaching System. Program fees do not accurately reflect actual costs. Persons/organizations interested in making donations to help buy specialized equipment should contact the Spokane Parks and Recreation Department. A Therapeutic Recreation Foundation has been established for this purpose. We are wanting to buy child-size mono and upgrade our bi-skis. Call 625-6245 for more information.

Sit Skiing

Sit-skiing allows the non-ambulatory (Para., quad., M.S., C.P., etc), the chance of achieving dramatic levels of control and maneuverability (proportional to the disability) on slopes of varying degrees of difficulty. To accomplish this, we teach how to use bi-skis, and mono-skis. The bi-ski is our newest addition of adaptive equipment. It will benefit a wide range of disabilities. People with higher level injuries will experience a new freedom as it requires very little head and neck movement to get the ski on edge and skiers with lower level injuries will find it a great help to ease the transition to a mono-ski. Our inventory is limited - **REGISTER EARLY!**

In order to insure control, all participants are attended by a trained tethered instructor who skis behind holding a nylon strap attached to the sit ski. Friends and spouses of the participants, who are strong skiers are encouraged to learn. They will be required to purchase a regular lift ticket. *** Please note we will not be able to accommodate skiers over 200 lbs.**

Snowboarding

We currently offer stand up snowboarding using a variety of adaptive equipment as necessary.

Blind Skiing

With the help of a sighted instructor, the student learns to respond to verbal signals as well as to 'see with their feet'. Our instructors primarily follow the P.S.I.A. American Teaching System, with brief vocal cues to facilitate orientation to the terrain.

Outrigger Skiing

An outrigger ski is similar to a forearm crutch with a short ski that pivots. Leg amputees ski with or without their prosthetic leg(s) in what is called a three or four-track method. Students with balance deficits also use this method.

Lessons Update

Lessons occur in 3 week sessions - morning (9:30-11:30AM) or afternoon (12:30-2:30PM). Single lessons may also be available depending upon instructor availability.

Equipment Update

Judy Moody Morris has graciously donated a new HOC² Glide bi-ski to the program. This is the next generation bi-ski with a self-loading system and suspension. The self-loading system will allow greater independence, the ability to change suspension per student, and safer and simpler load and off load for student and instructor. We are beyond excited to see our students progress with this newest addition of equipment. Thanks Judy!

Cross Country Ski

**In cooperation with Mt. Spokane
Nordic Ski Area**

The Program

This program is for children and adults 12 years and older with developmental disabilities, and in good physical condition. The program began in the early 80's, and relies on volunteers from the community in order to teach Nordic skiing to our participants. We are thankful for the volunteer ski patrol at Selkirk Lodge as well as the grooming from the State Parks. We appreciate Washington Special Olympics who sponsor the Washington Chapter Winter Games in Leavenworth. Nordic skiing provides fresh air, exercise, making new friends and having fun. This class size is limited to 13, however this can increase if number of volunteers increase.

Accident Waiver/Release of Liability and Acknowledgement of Risk

I know that skiing and snowboarding is a hazardous activity. I will not participate unless I am medically able and properly trained. I have read and understood the information provided by the City that explained the program, including the training of participants, the eligibility and safety rules, any equipment to be used, and the emergency medical plan. I have had all of my questions adequately answered by City staff. I assume all risks associated with skiing and snowboarding, including but not limited to those caused by terrain, facilities, temperature, weather, condition of my or the City's equipment, vehicular traffic, actions of other people including participants, volunteers, spectators, coaches, and City staff, all such risks being known and appreciated by me.

PHOTO RELEASE: I give my permission to have my photo taken during activities and understand that such photos may be used for publicity purposes.

I will accept the nordic/alpine/adaptive equipment for use, as is. I agree to be fully responsible for the equipment while it is in my possession and to return it by the agreed time/date. I agree that I may incur additional charges if the equipment is returned late, dirty, or damaged beyond normal wear and tear. I accept my responsibility to replace, at full retail value, any alpine/adaptive equipment which I fail to return.

I accept the risks involved in the use of nordic/alpine/adaptive equipment, including but not limited to, skis, snowboards, boots, poles, sit-skis, mono-skis, bi-skis, outriggers, slant boards, ski stabilizers, edgie-wedgies, walkers, harnesses, helmets, and any other equipment that I may use.

I, for myself, and for anyone entitled to act on my behalf, (A) WAIVE, RELEASE, AND DISCHARGE the City of Spokane, Mount Spokane, Inc., and their officers, employees, volunteers, representatives, and agents from any and all liability for my death, disability, personal injury, property damage or damage or loss to me during participation in alpine/adaptive skiing and traveling to and from this event;(B) INDEMNIFY AND HOLD HARMLESS the City and Mount Spokane, Inc., and all persons mentioned in this paragraph from any and all liabilities or claims made by other individuals or entities as a result of any of my actions while participating, except for those claims arising from the sole negligence or sole willful conduct of the City, its officers, employees, or other representatives.

I HEREBY CONSENT to receive medical treatment which may be deemed advisable if I am injured or become ill while participating in alpine/adaptive skiing.

Downhill Ski & Snowboard

In cooperation with Mt. Spokane Ski & Snowboard Area

The Program

This program is for children and adults 8 years and older with developmental disabilities and is now in its 45th year of operation. We utilize volunteers from the community and local universities/colleges in order to achieve a one-to-one instructor/student ratio for new skiers/snowboarders and at least one- to three for experienced skiers. This allows for improved safety and skill development in a main streamed environment. We hope you will share our admiration and support of the Mt. Spokane Ski & Snowboard Resort and Ski School which have been instrumental to the success of this program. We are also appreciative of Washington Special Olympics who sponsor the Chapter Winter Games in Wenatchee.

Calendar

Ski Season

Saturday January 6 through February 24

- \$330.00 Lift ticket, lessons, and equipment rental. (No bus transportation).
- \$420.00 Lift ticket, lessons, equipment rental and bus transportation
- \$ 90.00 Transportation Only. (Cost is \$15 per trip).

Fees do not include optional Special Olympic fees for transportation costs to the Chapter meet.

Transportation

Careproviders/Parents/Students

Please be aware that if the roads are clear the bus may arrive back as much as fifteen minutes early and if road conditions make for slow travel, the bus could be a few minutes late. Please be at the sites in plenty of time to take your skier home. One late pick-up can cause delays for the rest of the group. We may assess late fees if necessary. All late pickups will be taken to Sinto Senior Center. Be sure to mark on your registration form which site you will be using. We encourage not using paratransit for this program but if you do please use only Sinto as transportation site. **If you are not taking our transportation, please meet at Lodge #1 at 10:30 a.m.. Practice will be done at 3 p.m.**

The bus will leave:

Sinto Senior Center, 1124 W. Sinto	9:00 am
Zip Trip, Monroe & Wellesley	9:15 am
Lincoln Rd & Division	9:30 am

The bus will return:

Lincoln Rd & Division	4:30 pm
Zip Trip, Monroe & Wellesley	4:45 pm
Sinto Senior Center, 1124 W. Sinto	5:00 pm

The Powderhound program emphasizes having fun, making friends, exploring the mountain, improving skills and being safe. Each student will be assigned a volunteer instructor who will be a buddy and provide support and instruction as desired. We will provide support to those who would like to compete in Special Olympics. If someone is competing in another sport such as basketball or iceskating they can still ski or ride with Powderhounds as we are a city operated program.
