Funshine Day Camp

Funshine Day Camp is a fun-filled camp for those with developmental and/or physical disabilities. Each day, campers will have the opportunity to interact and socialize with their peers through crafts, music, science experiments, books, board games, group activities, swimming and so much more. Each Friday, Funshine experiences an exciting new field trip location. Check out this summer's themes and join us at Funshine Day Camp! With so many smiles and so much excitement, our end of the summer Potluck BBQ & Carnival is the perfect place to share your experience.

PLEASE BRING YOUR OWN LUNCH EVERY DAY. FOOD IS NOT PROVIDED.

5 Weeks of kids camp for children ages 6-21 1 Week of adult camp ages 18+

Funshine Purpose & Objectives

- to provide opportunities for quality social exchanges
- to provide recreational activities that assure all campers can participate actively
- to foster growth of independence and self-direction in all campers
- to encourage various means of self-expression and self-explorations
- to protect campers from safety hazards and meet their physical needs by giving them freedom to enjoy camp

Volunteers

Volunteers are vital to our programs. Parents/care providers, siblings, and students are encouraged to volunteer. Areas needed for volunteers include swimming, Theme days and field trips. If you are interested in volunteering, call 625-6245.

Camper Personal Needs

We strive to maintain a 4:1 ratio for day camp. Funshine staff provides leadership and supervision for all activities and periodic attendant care (feeding, toileting assistance, reminders for medications, transfers, etc.). Please make note of our staffing ratio and realize that we aren't capable of providing 1:1 care constantly. We are happy to accommodate those who come with care providers, and encourage care providers to accompany campers whose personal care requirements exceed this. Campers with behavioral concerns may also be requested to participate with a care provider in attendance. Registration fees for care providers are waived.

Medication Policy

Many campers need to take medication while at camp. The Director or Assistant Director will be responsible for all medication. Recreation Leaders are responsible for knowing which camper takes medication, and removing it from their belongings at the beginning of each day. Campers who take medication during Funshine must complete a **MEDICATION INFORMATION AND WAIVER** form and return it before start of camp. Campers must be self-medicating. Funshine staff can take custody of medication and remind campers when to take medication. Program staff cannot administer medication. All medication must be packaged according to program instructions. Campers should have a current medical coupon/ medical insurance card, and identification with current address & telephone number.

Please print and use a separate form for each person you are registering.

This is confidential information used only to assist the staff in meeting the needs of the camper involved in our programs. This information will enable our staff to provide a more individualized and suitable program.
