NMTC Qualified?

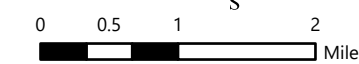

Yes

No

* The census tracts shown on this map represent the 2010 Census tracts and uses data from the American Communities Survey 2011-2015 Five-Year Average, the currently-adopted standard for determining whether a Tract qualifies for New Market Tax Credit applications.

At some time in the future, the program will be updated to utilize more recent data. Until then, this map represents the qualifying data used to determine NMTC eligibility, as of the date of this map (shown at bottom).
