

City of Spokane Disposal Services

Household Hazardous Waste

Household Hazardous Wastes are things used in your home that should not be disposed of in either garbage or recycling containers.

What are they?

Accepted as HHW (no-cost drop-off)

They include:

- Aerosol cans (if not empty)
- Automotive fluids (5 gal. or smaller or no more than 15 gal.) *Do not mix.*
- Batteries
- Fluorescent light bulbs, CFL lights (up to 10 per visit)
- Glues and adhesives
- Household cleaners
- Oil-based paints (5 gal. or smaller) *Latex paint should be dried and disposed of in regular garbage*
- Pesticides and garden chemicals
- Products with mercury (thermometers and thermostats)
- Pool and spa chemicals
- Propane tanks (5 gal. or smaller)
- Road flares
- Sharps (in puncture-proof container like a coffee can or detergent bottle – *No milk jugs or soda bottles*)
- Thinners and solvents

- assistance determining if you have HHW or
- for disposing of commercially generated waste

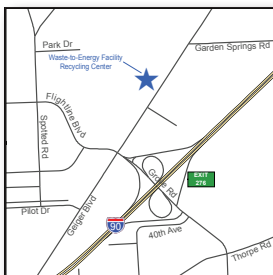

Household Hazardous Wastes generated by residents of the City of Spokane can be dropped off, free of charge, at the Waste to Energy Recycling Center.

Waste to Energy Disposal Facility & Recycling Center

2900 S. Geiger Blvd.

West of Spokane, across from the Washington State Patrol

The adjacent Waste Management Northwest SMaRT Center is not open to the general public.

Days/Hours Open

Open seven days a week,
7:30 a.m.-5 p.m., year-round.

Holidays

Closed for the following holidays:

New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day & Christmas Day

Spokane citizens can also dispose of household hazardous waste on weekends only between 8:30 a.m. and 4 p.m. at the two county transfer stations.

• Valley Recycling/Transfer Station

3941 N. Sullivan Road

South of Trent and across from Spokane Industrial Park

• North County Recycling/ Transfer Station

22123 N. Elk-Chattaroy Road

At the intersection of Elk-Chattaroy Road and Highway 2

Information Line - 509.625.6580

Printed on recycled/recyclable paper with partial funding from a grant from WA State Dept. of Ecology.
