*Projects highlighted in **RED** have notable changes this week. Construction is tentative and subject to change at any time.*

### COMBINED SEWER OVERFLOW (CSO) CONSTRUCTION

#### I-07C & CSO 34-1 CONTROL FACILITIES

- Riverside Avenue between Napa and Crestline Street remains closed.

I-07c work is to construct a 200,000 gallon Combined Sewer Overflow Tank and CSO 34-1 work is to construct a 1.4 million gallon CSO tank. These projects are part of the "It's all about the River" program to keep our greatest asset, our river, clean.

I-07c is a \$2.8 million project and CSO 34-1 is a \$13 million project.

#### SPOKANE FALLS BOULEVARD COMBINED SEWER OVERFLOW TANK (CSO 26) PROJECT

- Construction proceeds on the 2.2 million-gallon CSO tank by the Downtown Library.
  - The Spokane Public Library parking garage will be closed from Monday, Feb. 25 to Friday, March 1.
  - Spokane Falls Boulevard from Lincoln to Monroe is closed to traffic.
  - Traffic on Lincoln Street from Spokane Falls Boulevard to Main is directed southbound; drivers are required to go east or west at Main. Lincoln is the detour for traffic coming from the River Park Square garage and Spokane Falls.
  - Access to the Lincoln Street entrance to the River Park Square parking garage is open.

Crews will continue constructing the roof slab for the CSO tank. There is one remaining section to pour on the roof slab. Garco's tower crane is scheduled to be removed Monday, Feb. 25 through Friday, March 1. Flaggers will be on the east end of the jobsite to stop traffic as needed. Steel stairs are being installed in both stairways on the east

and west end of the tank and will be completed on Friday, Feb. 22. Mechanical and Electrical work has begun inside the tank. Crews will continue backfilling the tank as weather allows.

The project is part of the City's efforts to get to a Cleaner River Faster. The tank will include a new public plaza with views of the lower falls of the Spokane River.

**The \$20 million project is being paid for with City Utility funds.**

## **PEDESTRIAN AND BIKEWAYS**

### **RIVERFRONT PARK CONSTRUCTION**

- South Bank: The short pathway between the orange bridge and the East Wooden Bridge will temporarily close again, to allow Promenade construction on the north end of the orange bridge. The closure is anticipated to last February – May. A detour across the East Wooden Bridge will connect pedestrians and cyclists between the south bank and the clock tower pathway. The Rotary Fountain and Looff Carrousel areas are not impacted. [View the map](#).
- North Bank: The sidewalk along the corner southeast of Howard and Mallon by the Spokane Arena will be temporarily closed early winter. Fencing surrounds the Promenade of the North Bank, closing the Howard Street pedestrian bridges (including the blue bridge). Detour routes through the park take visitors either across the suspension bridges or the Washington Street Bridge. Construction on the North Promenade is anticipated to be complete by end of 2018, but the pathways may remain closed longer due to surrounding construction and the upcoming playground and amenities.
- Pavilion: Fencing is expanded around the Pavilion site. It is anticipated to be in place through fall 2019.
- The website for redevelopment is [www.riverfrontparknow.com](http://www.riverfrontparknow.com).

## **STREET DEPARTMENT PROJECTS**

### **POTHOLE CREWS**

- City crews continue to fill potholes. If you see a pothole, report it by calling **3-1-1**. Potholes can also be reported online through [your MySpokane account](#). Crews focus on the largest holes on the busiest streets first. Include as much information as possible on the location and size of the pothole.

### **SNOW REMOVAL**

- Citizens are asked to park on the odd side of the street in residential areas for the entire snow season, which runs from November 15 to March 15.

## **OTHER CITY PROJECTS**

### **RED BAND PARK RIVER ACCESS & PRIVACY SHELTER**

- No traffic restrictions

This project includes the installation of a rafting boat rail launch system into the Spokane River, located at Red Band Park (the old Glover Field) in Peaceful Valley. The project also includes the installation of a Privacy Shelter which will house Portable Bathroom Facilities.
