*Projects highlighted in **RED** have notable changes this week. Construction is tentative and subject to change at any time.*

### **20 MPH PARK ZONES**

- 20 MPH seasonal speed limit signs have been installed at the following playgrounds:
  - A.M. Cannon Park
  - Audubon Park
  - Chief Gary Park
  - Lincoln Park
  - Mission Park
  - Shadle Park

20 MPH speed limit signs will be installed at Hays Park and Comstock Park on Friday, June 14.

The school year has ended which means more kids are at our local parks, pools and libraries. Drivers should slow down around parks, parks with splash pads, parks with pools, and libraries as speed limits are reduced for the summer. The Street Department has installed 20 MPH signs at eight select locations throughout the city.

## **COMBINED SEWER OVERFLOW (CSO) CONSTRUCTION**

### **I-07C & CSO 34-1 CONTROL FACILITIES**

- Street closures include:
  - Riverside Avenue between Napa and Crestline Street remains closed.
  - Napa Street between Main and Sprague Avenue will be closed until Friday, June 14.

I-07c work is to construct a 200,000 gallon Combined Sewer Overflow Tank and CSO 34-1 work is to construct a 1.4 million gallon CSO tank. These projects are part of the “It’s all about the River” program to keep our greatest asset, our river, clean.

## PEDESTRIAN AND BIKEWAYS

### 2013 DOWNTOWN PEDESTRIAN IMPROVEMENTS

- Work on this project has resumed. Weekday closures include:
  - Approximately 100 ft. of north parking lane along Sprague Avenue is closed immediately west of Washington Street.
  - The east curb lane along Stevens Avenue is closed from approximately 100 ft. south of Sprague to First Avenue.

Construct pedestrian improvements in the Downtown Spokane Core. Includes, in selected areas, structural sidewalk repair/replacement (vaults, non-vault related replacements/repairs, sidewalk removal/replacement, etc.), minor sidewalk repair, street tree infill, replacement of hazardous street tree grates, and installation of bike racks, planters and garbage cans.

**The \$1.4 million project is funded with federal funds.**

### RIVERFRONT PARK CONSTRUCTION

- South Bank: The short pathway between the orange bridge and the East Wooden Bridge is temporarily closed to allow Promenade construction on the north end of the orange bridge. The closure is anticipated to last February – May. A detour across the East Wooden Bridge will connect pedestrians and cyclists between the south bank and the clock tower pathway. The Rotary Fountain and Loeff Carrousel areas are not impacted. [View a map.](#)
- North Bank: The North Suspension bridge is closed for renovation/maintenance, and the new North Promenade is now open! The North Promenade connects the North Bank entrance (Mallon & Howard, at the Lilac Butterfly) up to the Blue Bridge. Then, visitors will cross over snx? mene? island to the South Suspension bridge. [View a map.](#)
- Pavilion and Central Promenade: The Central Promenade (connecting the Blue Bridge with the Orange Bridge) will open this summer, and the Pavilion will follow in the fall.
- The website for redevelopment is [www.riverfrontparknow.com](http://www.riverfrontparknow.com).
